# *1977 Yellow Jacket Annual Dedicated*

# To Mr. Jesse Riddle, Mr. Eldon Sonnenburg

Traditionally, the Yellow Jacket Annual Staff dedicates the yearbook to a person who makes a major contribution to Denison Senior High School. It is very difficult to select individuals from among the hundreds of people who daily give their work and talent toward making DHS the best school community it can possibly be - an environment and atmosphere where every student has an opportunity to develop his potential and where teachers and staff may work to fully realize their career goals.

The staff honors two people who have dedicated millions of hours and all of themselves to DHS students. Working with discipline and humor, and demanding perfection, these two people earn tremendous respect and love of all whose lives they touch. Training young musicians to play in concert and march in formation, they answer each person's needs and help each one make the most of his or her talents and abilities.

It is with pride that we dedicate the 1977 Yellow Jacket Annual to Mr. Jesse Riddle and Mr. Eldon Sonnenburg.

Mr. Jesse Riddle, Band Director, opposite page top, is splashed with a bucket of water during the band initiation party. Kathy Leggett, Mr. Bill Williams (father of band member, Alan Williams), Cyndee Gaines, Monica Rogers, David Riddle, and Janey Hogenson look on with laughter.

Mr. Eldon Sonnenburg, opposite page, bottom, with his wife holding a pet quail. Yellow Jacket Editor-in-Chief Angela Fairchild, upper right, dedicated the 1977 yearbook to the school's band directors in the May 19 awards assembly. Engraved key chains were presented to Mr. Riddle and Mr. Sonnenburg, lower left, as tokens of the yearbook dedication. Mr. Riddle celebrated his 100th half-time performance at D.H.S. during football season. Mr. Sonnenburg received a similar honor at Sherman High School where he was band director for many years before coming to Denison in 1971.

*As we begin the year, not knowing what we are looking for, we stand outside good old Denison High School waiting for the first bell to signify the end of summer and the beginning of a new year. We have forgotten about those who have gone before and have just begun to learn about those coming in. The bell rings and sophomores with terrified looks, juniors who know have been there before, and seniors who appear to know everything begin the 1976-77 school year.*

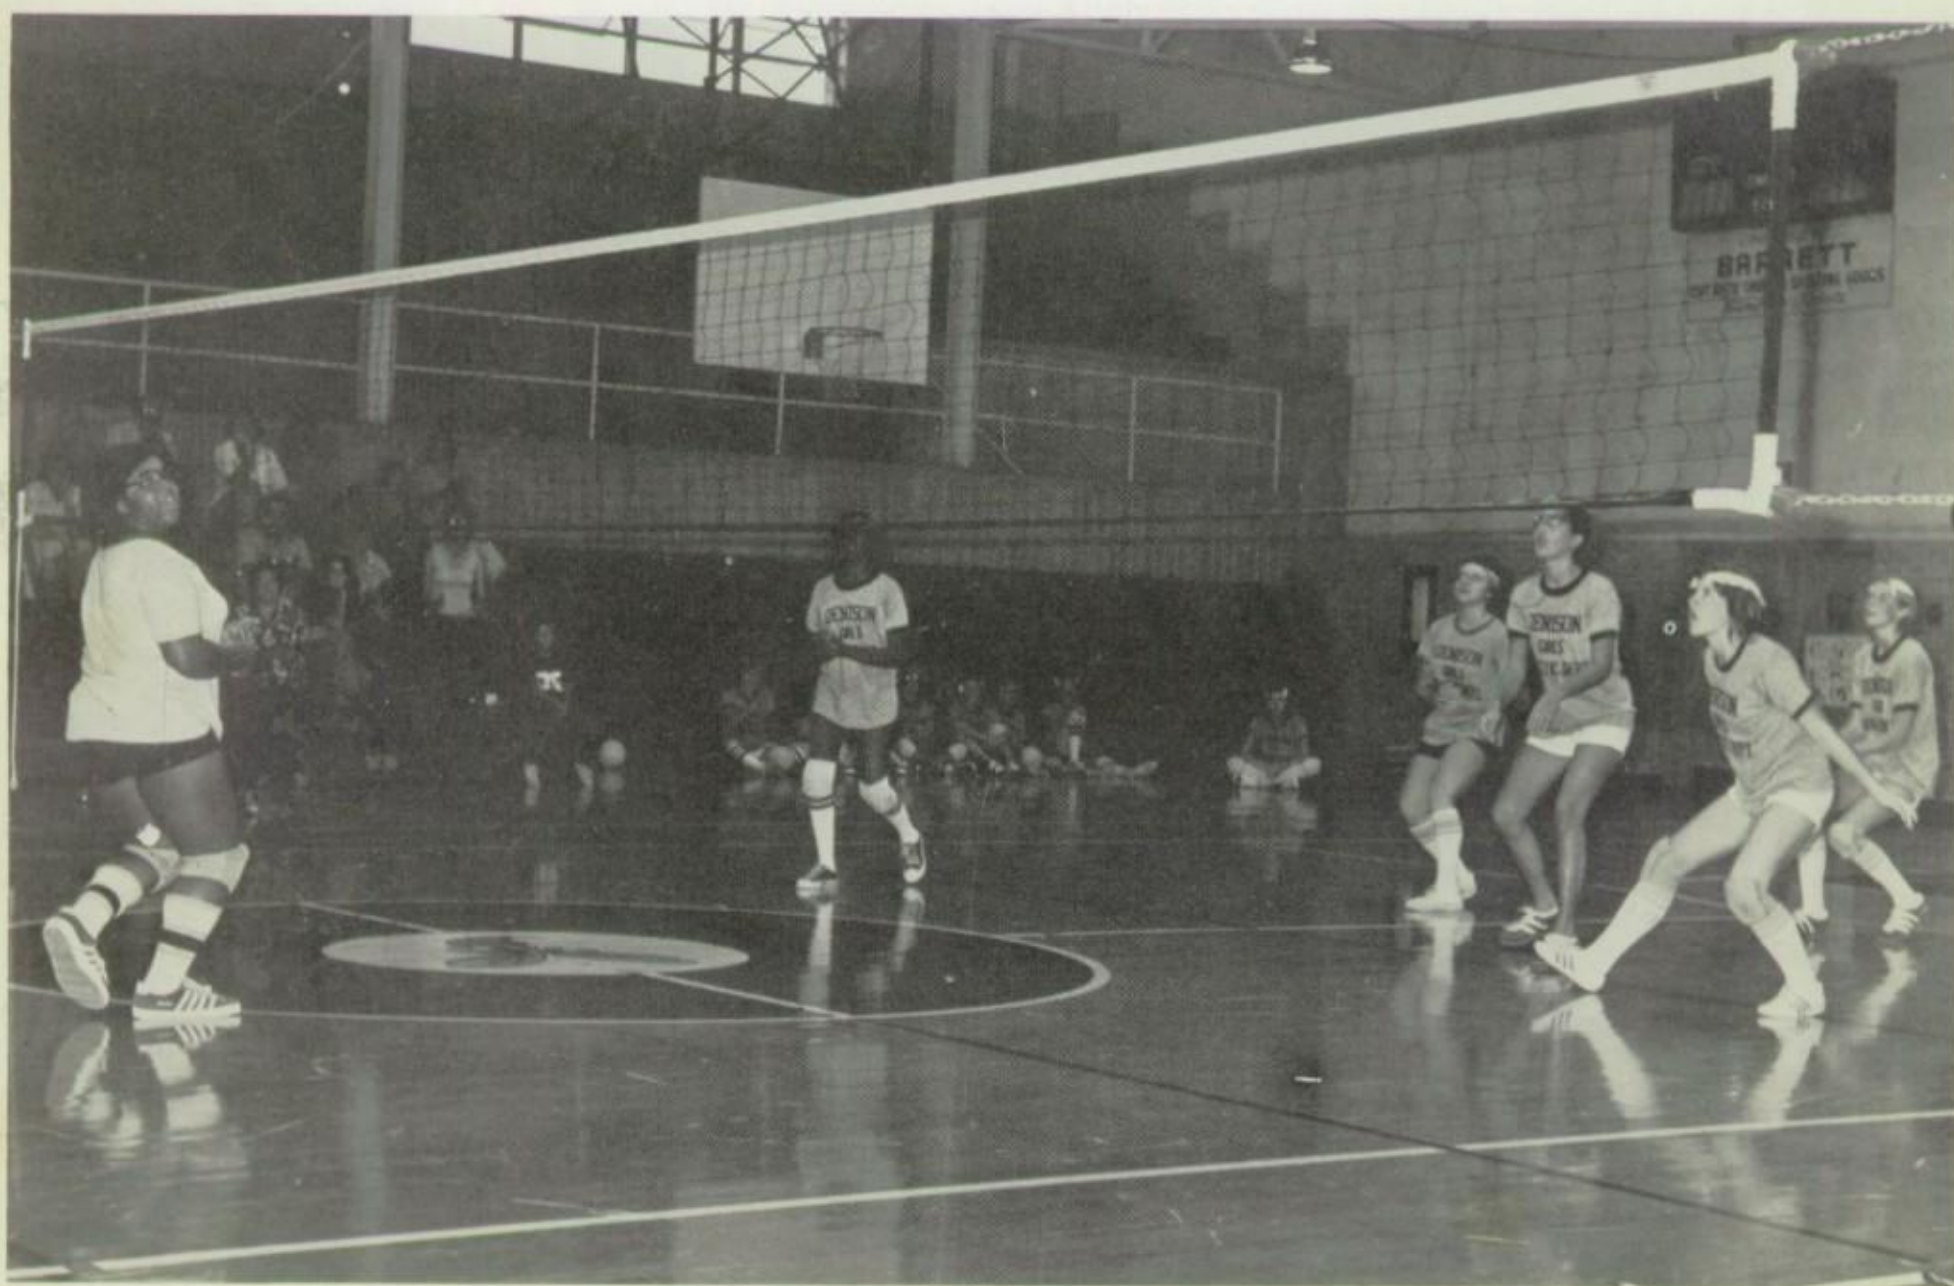

*The hard work begins with football, basketball, baseball, club projects and activities, and classes. Having fun and making memories, we don't even realize the time goes by — days, weeks, months and a year. It will all end so soon. Here is the last six weeks. Seniors get announcements, caps and gowns, and everyone is being nice to the teachers in hopes of passing. Then the day comes — the last day of school. It is all over now — all the fun and all the excitement. All those friends, dates and familiar faces will just be memories.*

The bell rings at 3:30 to signify the end of school and the beginning of summer. Was it worth all those worries over exams, hard work, grief, pain and sorrow . . . laughter, happiness, friends and memories? As we look down the empty hall and remember all the noise, all the friends, all the laughter, we realize that there will never be another time like this in our lives — we have had our good times in high school and must move on. We can remember what we have done, treasure our memories, use our acquired knowledge and skills, but most of all we realize — it is not the end but — **WE'VE ONLY JUST BEGUN.**

# Summer School Has Big Turnout

When most students went on vacation or to work last June, many of them stayed to go to summer school.

Right, Lige Dusek shows off his frisbee talents during his free time. Below left, Louanne Gary daydreams while Clint Gentry gets a laugh from the camera-man. Bottom, Diane Stembridge worked in the office keeping absentee records straight. More classes were added to the summer schedule in order to allow students to catch up on credits they lost because of failing grades or to gain credits in the summer classes before school even starts.

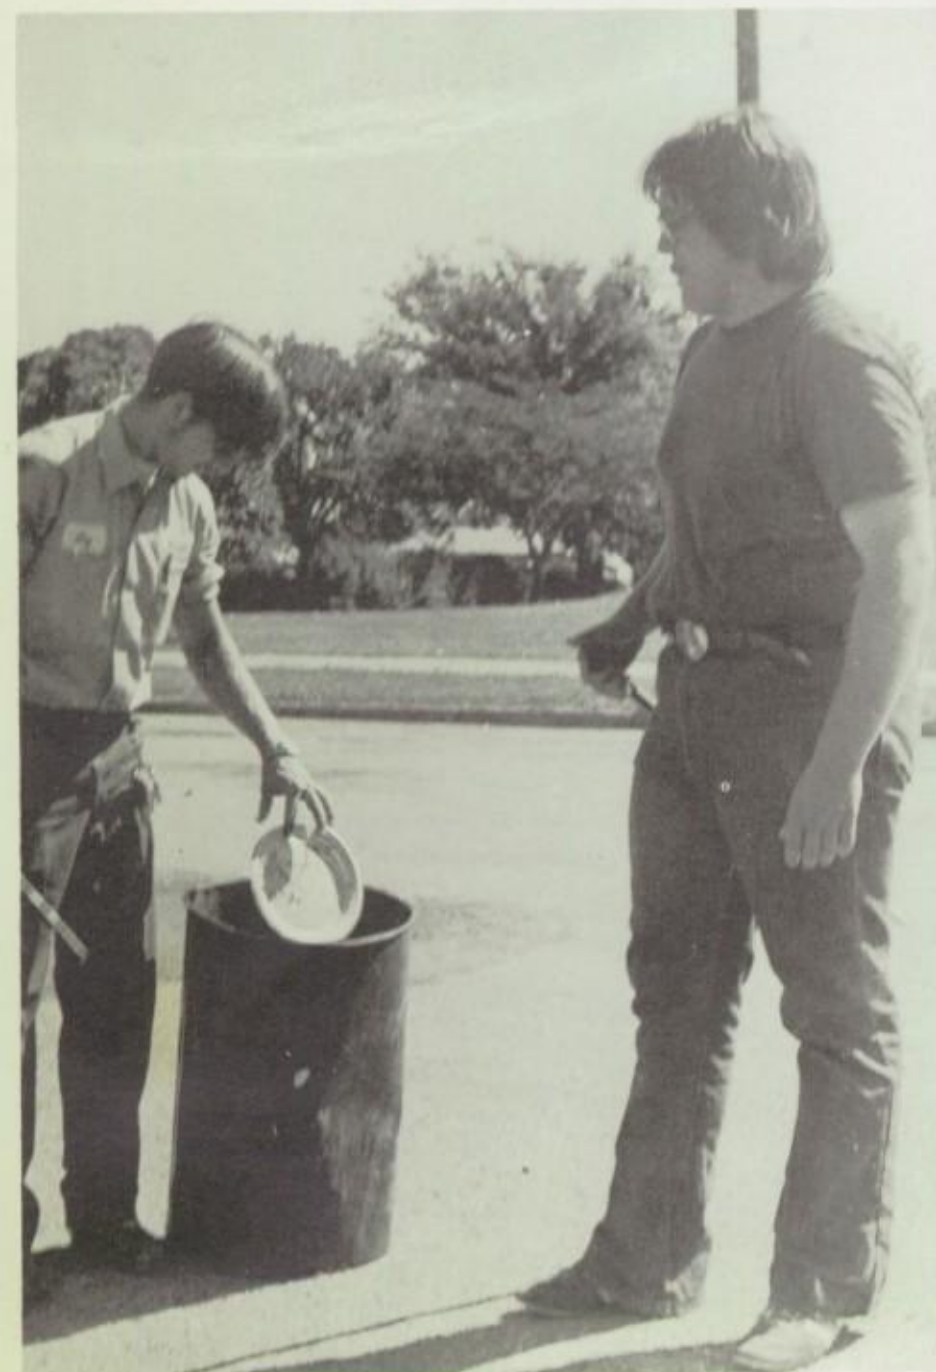

# Custodians Fight Battle of the Trash

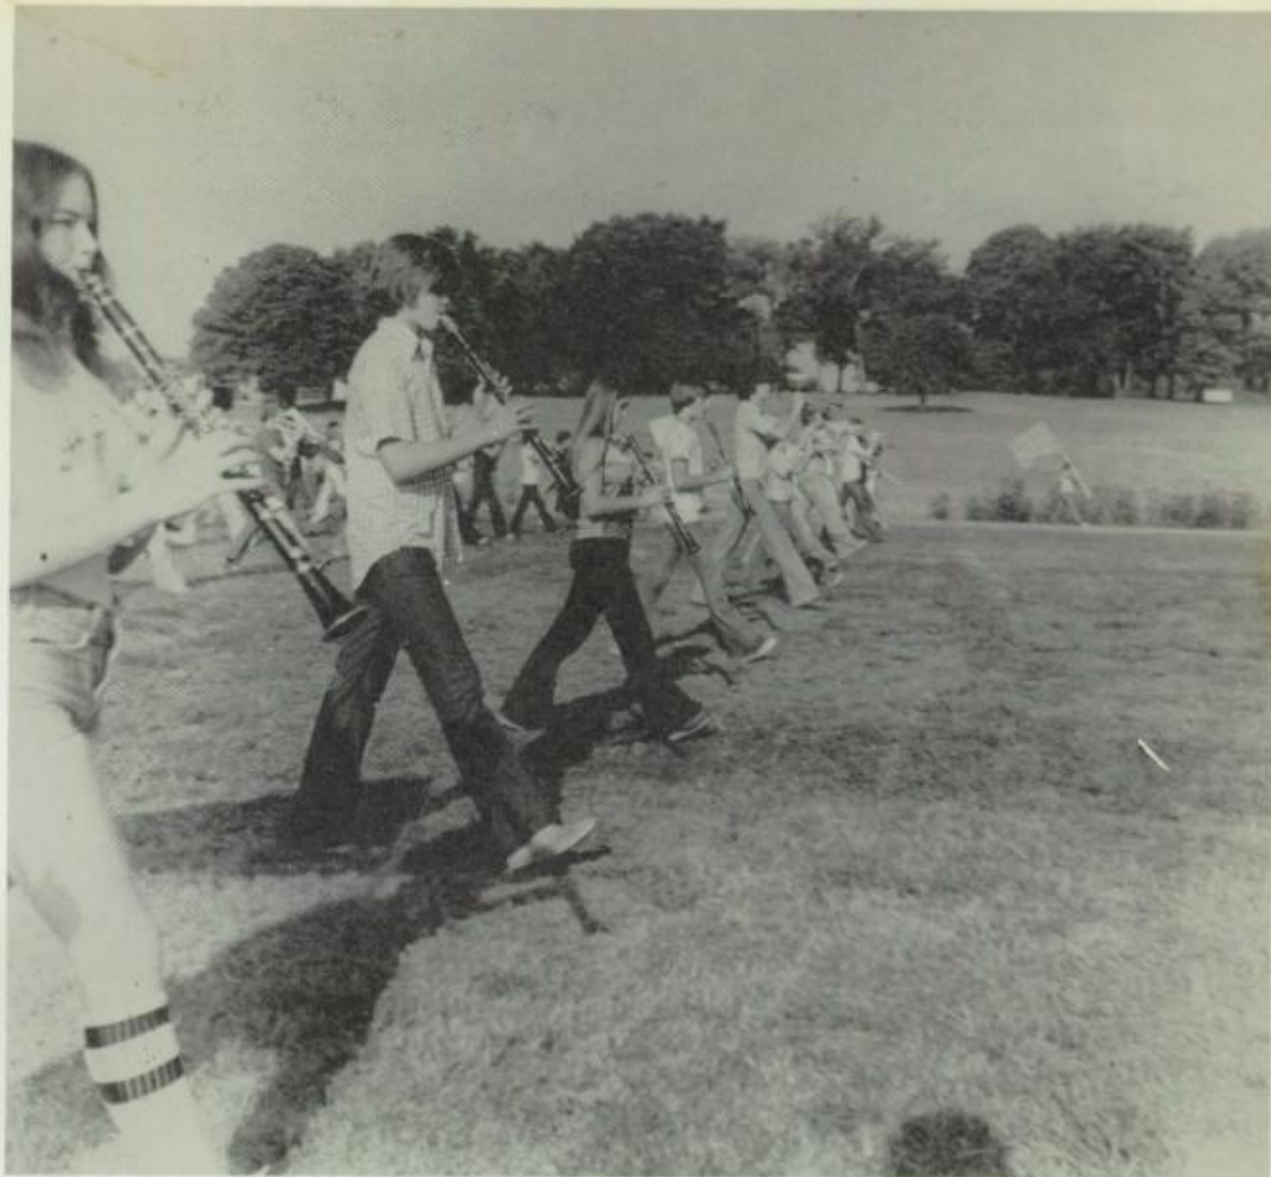

Throughout the summer and the school year, the Custodians keep the school building clean and shining.

Below, George Parker sets the clocks. Right, Gladys is caught here taking out the trash. Bottom left, Gary Green and Johnny Fenn pick up trash in the school yard each afternoon. Bottom right, Mr. Fred Tony repainted the window frames of the building, giving it a whole new look. Besides the jobs pictured here, the custodians also clean, sweep, mop and wax floors, and stay late at night to lock up after club meetings and community activities.

# Summer Band Starts Early

For Band students school starts early with morning practices. It's not long before the new students learn the basics of marching and the old members remember what they have forgotten from last year. Band members line up as director Jesse Riddle, right, supervises the practice.

# Stingerettes Initiate Members, Attend Camp

The Drill Team went to summer camp at Kilgore Junior College for six days. Prior to their visit to camp they had a week's practice on their high kick, military and novelty routines. Returning from camp with awards, the Stingerettes practiced two weeks and staged traditional Drill Team initiation.

# *Cheerleaders, Mascots Attend Summer Camp*

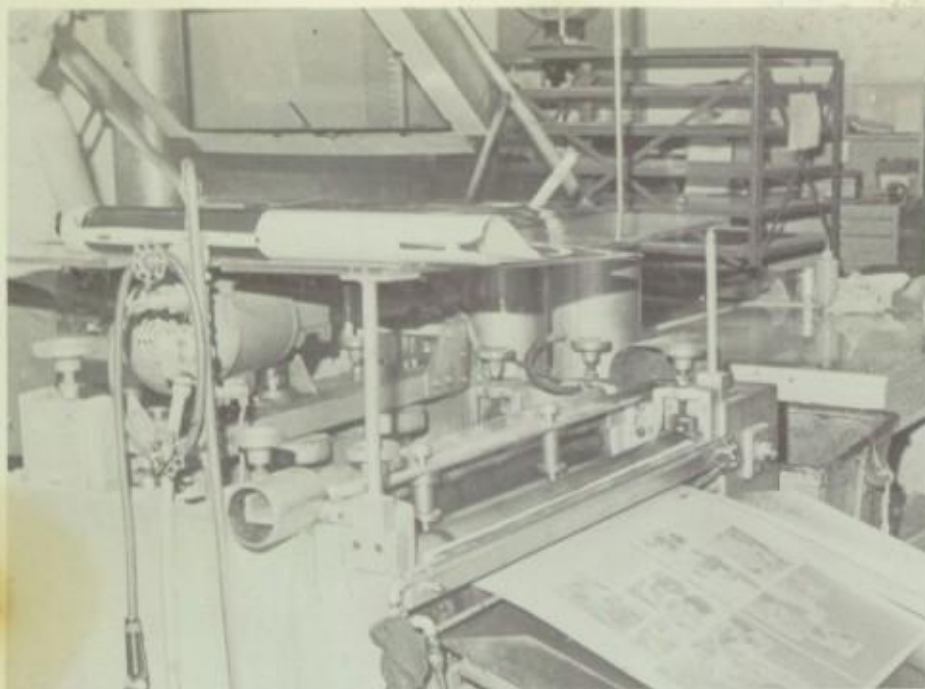

Varsity Cheerleaders and mascots got a top rating in competition at summer camp last summer. They placed in the top eight out of about 70 cheerleading squads.

The camp at Stephen F. Austin College in Nacogdoches, June 13-18, provided classroom type instruction for part of the day. They participated in cheerleading activities and competition daily. "We had a good time and met a lot of girls from all over Texas, Oklahoma, and Arkansas," said head cheerleader Patti Sue Flood.

Dawn Hopkins, lower right, is ready for a week of camp. A group of cheerleaders develops a new routine, below. The DHS cheerleaders, right, are shown practicing a routine for contest. It paid off as they won awards and the spirit stick in competition.

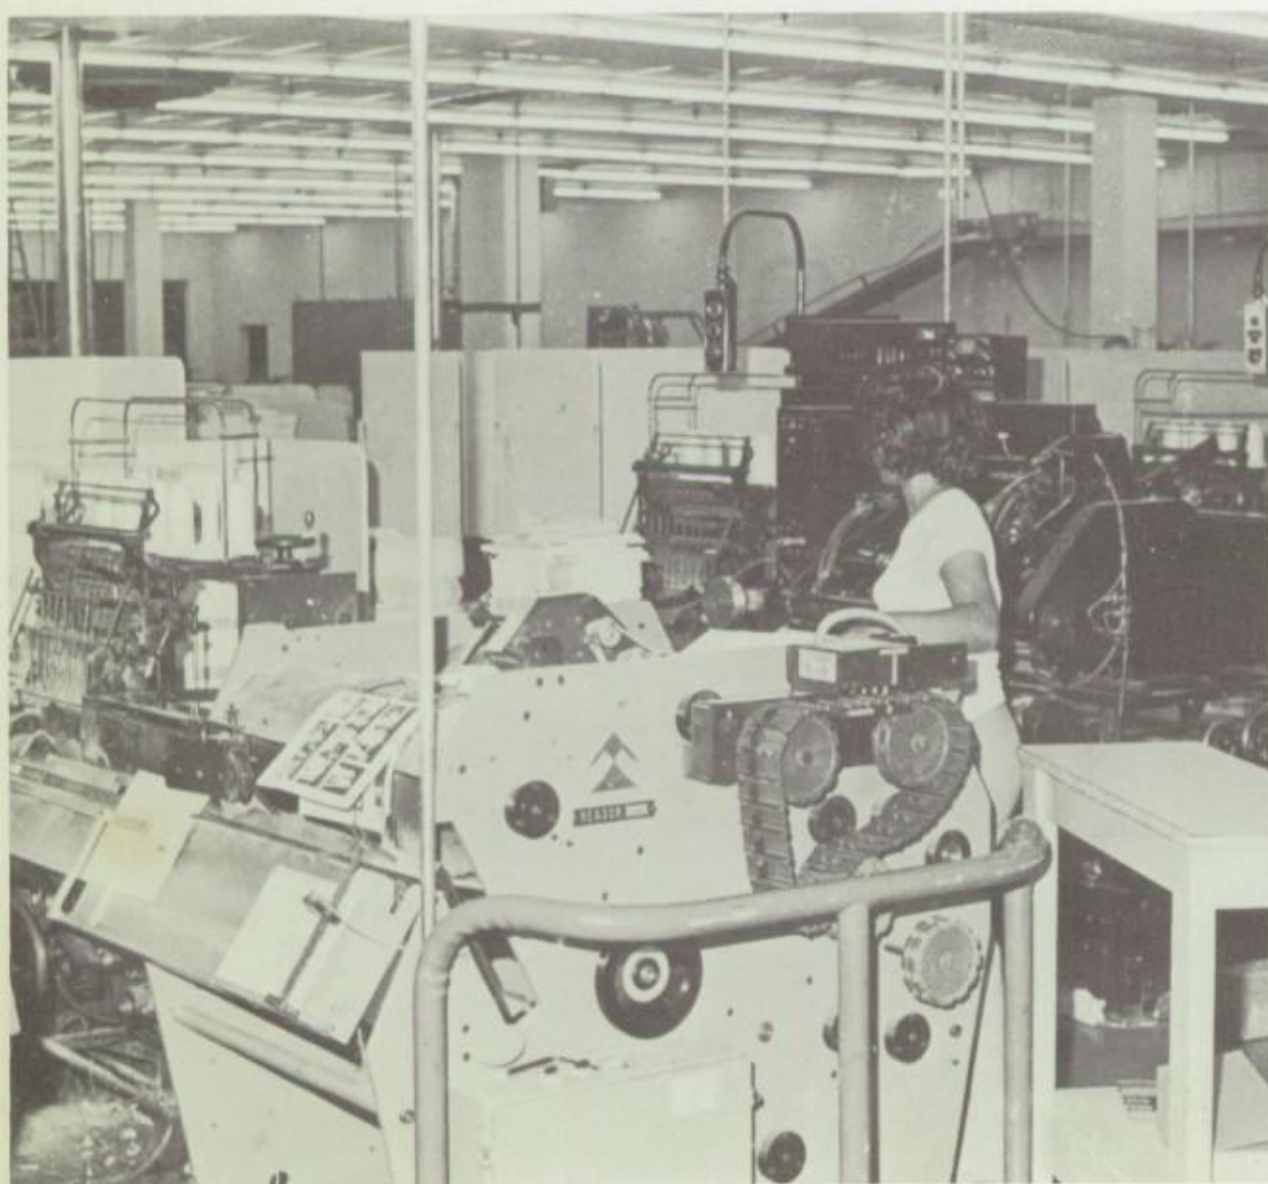

The Yellow Jacket Annual Staff traveled to Dallas for a day last August to visit Taylor Publishing Co. Taylor printed this year's annual. The staff watched and learned the step-by-step method in which yearbooks are made. They picked up some good ideas to improve the annual.

The staff ate lunch in the company cafeteria first, then took the guided two-hour tour through the publishing plant. After the tour, they browsed in Taylor's library gathering ideas from the thousands of yearbooks Taylor publishes.

## *Annual Staff Visits Book Publishing Company*

Angela Fairchild, above, observes as a Taylor employee folds pages to prepare them for a yearbook. Above left, is one of many machines at Taylor that help save time and effort in producing a yearbook. This machine turns out printing plates that have been photographically etched. This machine, left, glues the pages to the cover of the yearbook.

Denison is a town with a variety of things to do in the summertime. Lake Texoma is one of the better known diversions. Swimming, sunbathing, Frisbee, picnics and camping are but a few of the different pastimes people enjoy at the lake. Every year around early summer DHS students head out to the lake in droves. They come in swimsuits, shorts, and

even jeans and bring food, campers, boats, and cars.

Besides the more sophisticated pastimes such as boating and fishing, there are also the things usually done as a child, like wading, and building sandcastles. Upper left, senior Virginia Morgan reverts to her childhood and builds a superb sandcastle. But the sands of time are against her as the lake tide comes in and takes her castle out. Lower left, DHS students survey lake and soak up the sun.

At Lake Texoma, junior Ann Derichsweiler relaxes completely for a swim, right. Lower left, Roeann West performs one of the most popular sports in America today, Frisbee, showing a good pose for receiving the Frisbee. Playing Water Frisbee is complicated and requires a great deal of dexterity on the part of the players. One requirement of the people involved is a sure knowledge of the game, the ability to swim well and the ability to leap great distances in water. Lower right, two students play Water Frisbee.

## ***Texoma Is Scene of Summer Fun***

# *Students Get Summer Jobs*

Along with other things students remember from school years are the jobs they had that summer. Top left, William Earnhart hauled hay this summer. Opposite bottom left, Danny Mead, a recent graduate, worked in maintenance at Texoma Medical Center. Opposite right, Carolyn Morgan babysat for several working families. Kima Waters gained good experience at a local restaurant. Bottom, Camille Kimbrell mowed her yard while she exercised at the same time. Top right, Mark Roewe scanned the pool for would be swimmers while, below right, Christie Means and Jayne Ann Maxwell helped a friend out of the pool.

# *Girl Athletes Prepare in Summer Workouts to Compete in District Volleyball, Basketball, Track*

Natalie Polk, top, watches the ball over the net as Bridgit Jenkins, Sandra Whittington, Regina Cummins, Frances Firesheets, and Zoe Ellen Rhymes get ready for the return. Karen Luper, left, demonstrates the overhand serve. Cari Hunt and Jackie Jenkins stand by to assist Kristi Thomas, lower left, as she sets the ball. Girls' Athletic Director Miss Gail Ringness, lower right, referees and watches Bridgit Jenkins' service. Regina Cummins, Tammie Zamora, Elise McMurray, and Sandra Whittington watch the ball.

Girls' Athletics is in its second year of competition. It is headed by Miss Gail Ringness. Miss Ann McFarland is varsity volleyball, track, and junior varsity basketball coach. Miss Jane Overstreet is the varsity basketball Coach. As the girls' competed in basketball for the first time in many years. She also coaches junior varsity volleyball and assists Miss McFarland in track. The girls got into shape by running, exercising, and various other things.

# Athletes Begin

The Athletics Department took a changed look at the first of the school year with a new program set up by the coaching staff. The new '77 staff set up the teams to get opinions of player preference and set up practice drill for players before and after school. As positions and formations were filled, the Jackets and coaches formulated and improved their game plans. Preparation began for the first game, September 3, against Trinity and a scrimmage against Lancaster August 27.

Right, Coach Rod Carter drilled the teams on tackling and defensive approach. This exercise helped defensive players improve timing and halt the runner's forward motion. The Junior Varsity squad matched up the offense and defense to practice play

execution and defense tactics. The teams practiced at 7 in the mornings and returned for regular sixth period workouts at 2:30 pm for the grueling two-a-days.

## *Students Say Goodbye to Summer*

The students at DHS would not quite be the same if not for their varied, favorite summer activities. It seems most students look forward to the outdoor life obtainable only during summer.

Water sports seem to rate number one in preference for DHS students, with swimming ranking highest of all. Swimmers, whether in pool or lake, enjoy the frequent splurges in the cool water along with sunbathing. Others enjoy boating, sailing, camping, fishing, and diving at lakeside vacation spots.

Downtown Denison attracts many students to gather along Main or Armstrong streets and enjoy good times. Several parking lots and restaurants provide meeting points.

Along highway 75, the drive-in shows and hamburger stands offer attractive points for both meeting and entertaining relaxation.

Christi Means and Jayne Anne Maxwell, left, help Mark Roewe watch over the swimmers at Waterloo Pool. Kevin Farley takes what may be his last look for the summer at the beautiful lake, above.

## Seniors '76 Sign Out

The 1976 Yellow Jacket Annuals arrived August 14 with a special Bicentennial Issue for the theme. Students and graduates expressed their feelings for each other and their school experiences for perhaps the last time as they attended the all-day signing party. More than 700 annuals were distributed in a come and go fashion for the event. Members of the 75-76 Annual Staff were Tina Conine, Darel Dobbs, Alicia Fox, Jerry Keene, Larry Manning, B. J. McKean, Paula Rice, Cindy Robinson, and Charley Thomas, editor-in-chief.

Virginia Morgan, Camille Kimbrell, Alicia Fox, and Julie Henry show the hard work that went into the annual.

The 1975-76 Annual, displayed here by, left to right, Karen Arthur, Gene Cullison, Louanne Gary, Angela Fairchild, and Terry Outlaw, carried a bicentennial theme.

## ***Band Council Begins Work***

The Band Council, a select group chosen by the Band members, began work by planning a welcome picnic to better acquaint all new and old Band members.

Top, Band Council members are - Standing - Cyn-dee Gaines, Secretary-Treasurer; Denise Dickey, Sophomore Representative; Mark Hemperly, President; Helen Allen, Majorette; Mark Riddle, Drum Major; Paul Fullington, Vice President; D'Ann Clark, Majorette; Monica Rogers, Junior Representative; Phillip Davidson, Senior Representative; Suzie Bates, Senior Representative.

# Students Register for 76-77 School Year

Bill Ashburn and Ramona Swinger, top left, wait in line, to have their schedules approved by Mrs. Grace Sullivan, counselor. Mr. Roger Hanson places James Bayless' name on the roll for metal trades, lower left. Mrs. Siv Anderson, Mr. Ryal Skaggs, and Mrs. Oleta Stubblefield, below, help vocational students arrange their schedules around classes already filled. Mrs. Donnie Ward and Mr. Jerry McCarty fill out the class rolls for the new school year, lower left.

Registration for the 1976-1977 school year took place during the second week of August in the school's library. Separate days were designated for each class and the first letter of the students last name determined what part of the day he would register. A separate day was set aside for vocational students and those students who had transferred from other areas. Each student was able to choose his own schedule according to the classes available.

# Start Scholastic Studies

Top left, students gather around the teacher's desk to have their schedules initialed and be enrolled in the first tri-mester classes. Steve Spradlin, lower left, is starting the year out right by taking notes in his health class. Lige Dusek is a willing subject for fourth period photography students learning to use their cameras, top right. Liz Hasse and Phillip Davidson, opposite, find time for a break from the confusion that is the first day of school.

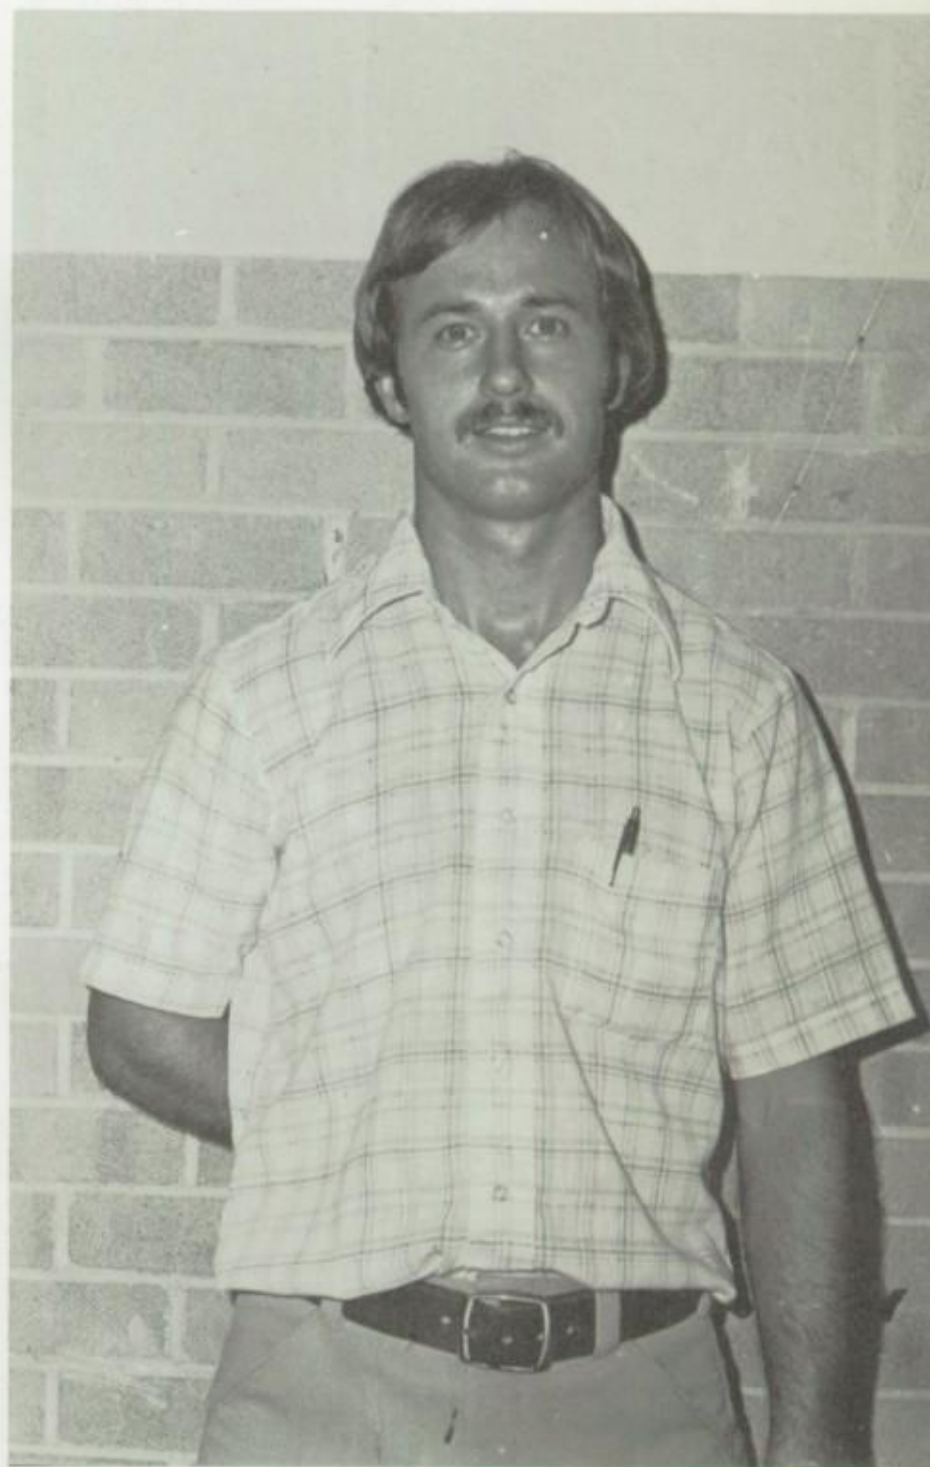

# Denison High Welcomes New Teachers

Mr. Rex Breed, left, is a new math teacher here. He was formerly on the staff at McDaniel Jr. High. Mr. Breed is a 1962 Paris, Arkansas, graduate. He has a Bachelor of Science from Arkansas Tech. He has a major in P.E. and a minor in math. He teaches FOM11 and Intro. Alg. 11.

Mrs. Sue McCorkle, below, is one of the new teachers at DHS this year. She attended Oklahoma State University majoring in home economics. She received a Bachelors' and Masters' Degree in Science at East Texas State. She teaches homemaking. Other new faculty members include Athletic Director Jerry Blankenship, Mr. Rod Carter, Mr. Danny Craver, Mr. Lester Fleming, Miss Jane Overstreet, Mr. Duke Sparks and returning to senior high was Mr. Fred Postier. Mrs. Oline Barker was new in the office this year.

Mr. Rick Coulter, a 1968 graduate of Denison High is a new biology teacher. After high school he spent 2 years at G.C.C. and majored in biology. From there he went to East Texas State. He was drafted into the service, but later came back to finish school. He worked in industrial work but decided that teaching is more challenging AND interesting.

## ***Organizations and Clubs Get Underway***

The first days of school were busy as expected and it is this time that the clubs and organizations get started with election of officers and sweethearts, and discussions of plans for upcoming activities they will be involved in during the school year. There are approximately 50 clubs at Denison High, ranging in many different interests, so everybody can be part of a group.

Eric Rice, above, president of the Art Club, discusses plans for this year's activities. Sophomore band members, below, get painted at the band initiation. First year Ag students go through green hand initiation for the beginning week of school.

## *Players Improve with Practice*

As the days passed, the Jackets learned to work more easily together as a team. The Jackets downed a strong team in scrimmage this month adding a sense of pride and accomplishment to Jacket spirit. The coaches took the experience gained during this month to pull the team closer together. The coaches worked on defensive togetherness and offensive quickness in preparation for the next pre-district game against Trinity-Eules.

Coach Jerry Blankenship demonstrates an offensive play.

## *Jackets Coaches Hold Press Day*

The Denison High School Coaching Staff invited the news media to Munson Stadium for an open press conference with both the coaches and the players August 21. The team was asked their opinions and expectations on the coming season. All of the coaches and players were optimistic about the Jackets' chances for a successful year. Group and individual pictures were taken. City and school newspaper photographers made pictures of the players as did the Yellow Jacket Annual photographer.

Mr. Allen Crenshaw, Crenshaw Studios, instructs the Jackets on formation for the group pictures on Press Day.

# Jackets Down Lancaster

The Varsity and Junior Varsity squads dowsed their opponents in Lancaster at the season's opening scrimmage. The Jackets scored 4 scores to 1 while the Junior Varsity teams won 2 scores to 1 and 3 scores to 2.

Scores were made by halfback Al Pen, who scored once on a pass from quarterback Bennie Jenkins and once on a run, Tommy Locke by a pass from Bennie Jenkins, and Charlie Jenkins also scored on a pass play.

A Jacket ball carrier is pursued by a Lancaster opponent. Surprisingly enough, the ball carrier managed to get away for another five yards.

A Yellow Jacket ball carrier pushes for the extra few yards needed for a first down in the Lancaster scrim-

mage. A Lancaster coach looks on.

In August, publications students produced the first newspaper of the year. "The Stinger" contained information on club meetings and activities, sports news, and an introduction to the new faculty. The printing department also produced the athletic department's handbook of previous years' records and names and numbers of the '77 Jackets.

Terry Julian, left, hurries to make her deadlines before final printing begins.

## *Stinger Underway*

Thomas Holley, right, helps the printing class in the final printing of the first Stinger.

Printing students put final touches on the flats before THE STINGER goes to press.

## *Annuals Sold Early, Class Pictures Made*

Mike Barnett, above, puts on the finishing touches before having his class picture made. Staffer, Virginia Morgan, upper left, likes the hard work and her job selling annuals. The puzzled looks at left are a result of the confusing new assembly line method of taking class pictures. Soon everyone caught on and production was quickly underway. Below, Dr. Bill Blankenship fills out a card before getting his picture made.

The Annual Staff set out early on the business of selling annuals and taking class pictures. The photographer set up in the auditorium while the staffers filled and filed student placement cards. Annuals were ordered the same day in order to get a discount for placing orders early. Publications records made here result in the Student Directory and reference sources for high school publications workers.

A new safety precaution has been added to school, left. A road block has been set up behind the school off of Brock street to cut down excess traffic and vandalism. The only time it is in use is when classes are in session and cars are left unattended. Two parking lot attendants equipped with radios were employed to secure the automobiles parked around the school.

A new oven was installed this year in the DHS cafeteria. The men shown here put in new power lines.

## Performers Brighten Fall Scene

Adding color and life to half time shows is what the Denison High School Marching Band and the Stingerette Drill Team do. Members of these groups get up early in the mornings and practice two to three weeks before school to get ready for the first pep rallies. Their drills and routines must be in order for the half time shows.

Drill Team members come to school weeks early to practice their routines. On certain days they practice late into the night. Members devote time and effort into every routine.

# Trojans Down Denison

The Jackets were on rough ground as penalties, mud, and the Trinity Trojans downed the team 34-13 in the season opener. The Jackets came out strong with a TD in the first five minutes to Tommy Locke early in the third quarter. In the second half, though, Trinity scored on a blocked punt to continue to a 34-13 lead in the last 12 minutes of the game.

## Jackets Drop Two

The Jackets started strong in their second pre-season game against the Irving Tigers with a 50-yard kickoff return by Gary Clark and a TD on the first play by Hosea Chumley. But the first ranked Tigers caught up too soon to finally wrap up a 27-13 victory over the Jackets.

Left, Senior Mark Roewe as the Jacket Offensive looks for an open receiver line holds off the Tiger defense. Mark Roewe, top left, readies for another try. Aaron Wells, top right, is muddy and disappointed near the end of the Trinity game.

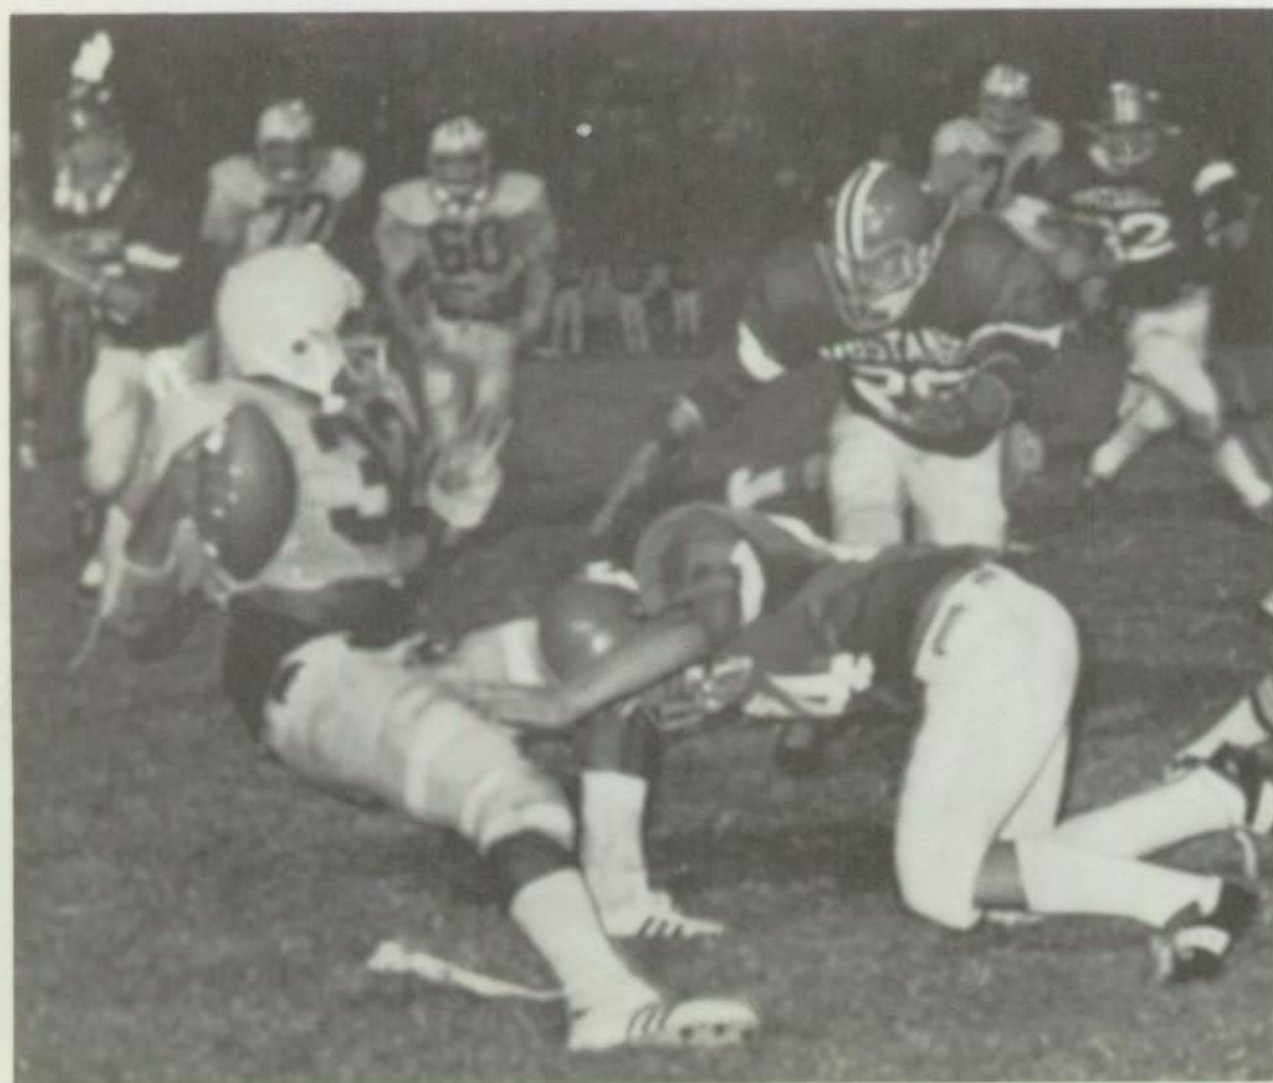

# Denison Beats Mustangs 26-0

The Jackets came back in a big way in their first district game against the Pearce Mustangs with a shutout win 26-0. Pearce was knocked cold by the Denison defense as the Jackets offense passed and drove to the season's best team effort.

After the Mustangs took the opening kickoff, the Jacket defense held the Mustangs until third down when safety Aaron Wells, senior, intercepted the ball. The Jacket offense took over and on second down QB Bennie Jenkins found brother Charles Jenkins deep in Mustang land for the first score of the evening. Jared Moore put up the extra point. The

game following was a succession of scores by Denison. QB Bennie passed to tight end Glen Blount for the second score.

After a drive it was Bennie again who, this time, slipped over on a QB sneak to produce a third score of the half.

In the second half action the Jackets scored for the last time on another pass from Bennie to Charlie and Moore's kick made it 26-0. The Jackets had taken their first district game but were up next against the team rated first in state by UPI, the Sherman Bearcats.

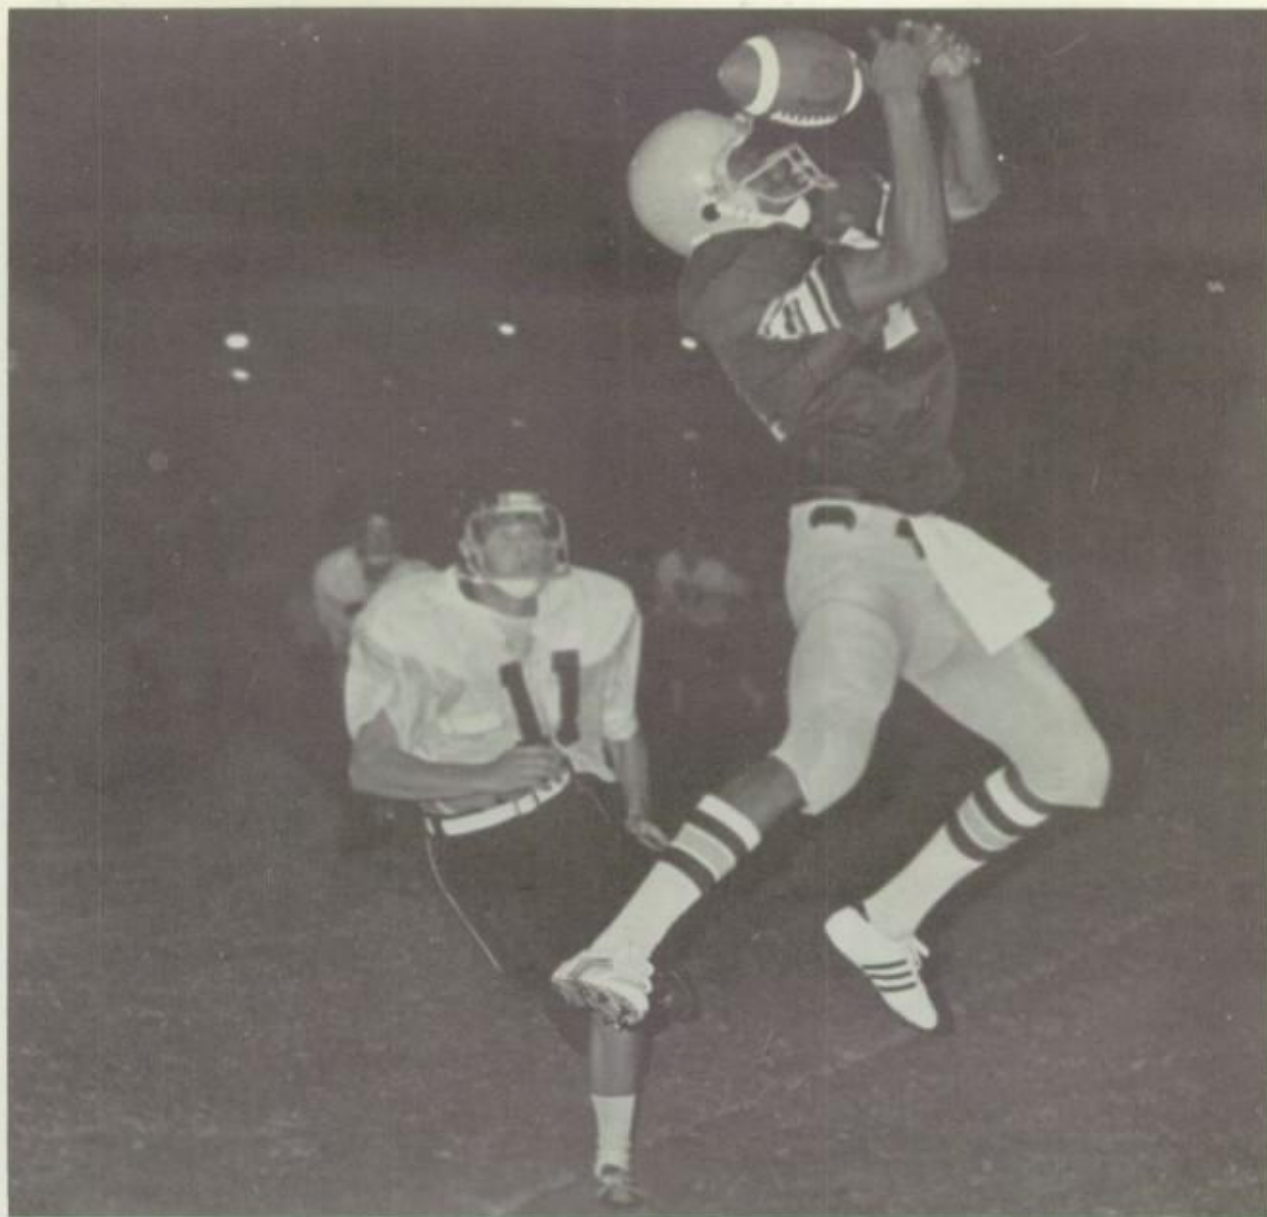

Al Penn (32) tries a pass play but is stumped by the Pearce defense. Above, Chris Luper (31) dodges a Mustang opponent.

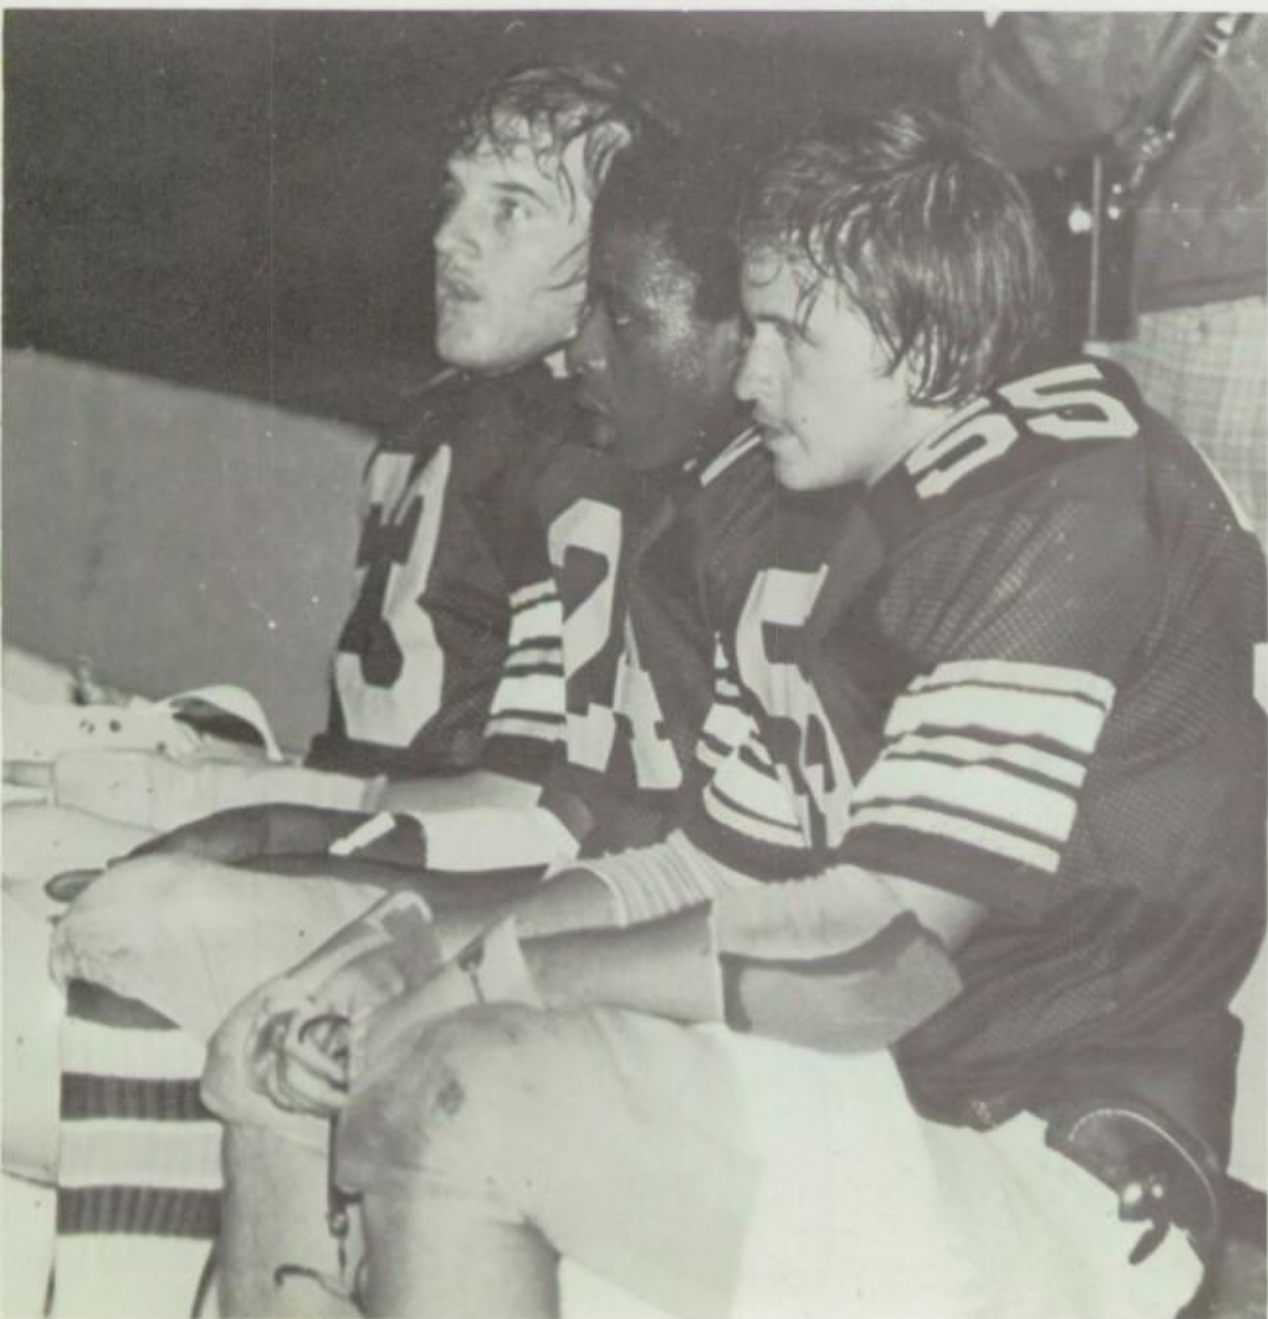

# Sherman Keeps the Axe 37-14

The Jackets found #1 ranked Sherman Bearcats too tough a team to handle as Denison was routed by their rough rivals 37-14.

The Bearcats jumped ahead early with a score on their third possession taking a 7-0 lead, but the Jackets struck back on the kick-off with Paul Pitts hand off to Charles Jenkins who drove 87 yards to score. Jared Moore tacked on the extra point. Sherman broke the 7-7 tie to bring the score to 14-7 with 2:49 left in the first quarter.

Aaron Wells (14) pulls down an over the shoulder for a first down, above.

While the Sherman offense put up on 23 more points, Bearcat defense held the Jackets still until the final quarter as Bennie Jenkins scored from the 1 yard line on a quarterback sneak. As time ran out, Sherman kept the Axe with a 37-14 victory.

Mike Neasbitt (55), Gary Davis (24), and Ben Jones (63) take a breather during the Sherman game.

## JV's Split Double Bill

As the Jackets prepared for their season openers the Junior Varsity teams split on their opening games with the Black team downing Trinity 12-7 and the Gold team falling to Plano 7-6.

The Black squad grabbed an early lead when a botched punt play turned into a 57-yard touchdown by Mike Castleberry. Trinity made a comeback, though, and held a 7-6 lead until a scoring drive in the final quarter. The Gold sophomore team scored only once against a mainly junior team when Greg Neasbitt intercepted a pitch and took it 59 yards to score.

Jerry Withrow, (21) is caught by an opponent on a kickoff return. Below, Nathan Beck (20) dodges as Craig Adams (21) and Larry Atnip (34) look on.

The J.V.'s fought on through the month of September as the Black J.V.'s tied Plano 12-12 and beat J. J. Pearce 6-3 while the Gold team lost to Irving 21-10.

The Black squad fought hard against the Plano team but could only tack up a 12-12 tie in spite of runningback Nathan Beck. Beck took both of the Denison scores across, one on a 95-yard run and another on a 52-yard punt return. The score stood 12-12 at halftime. In the second half, the two defensive teams held the offense to a standstill.

The Gold team was downed by Irving 20-10 with the lone Denison score coming in the fourth quarter by Mike Castleberry from the 2-yard line.

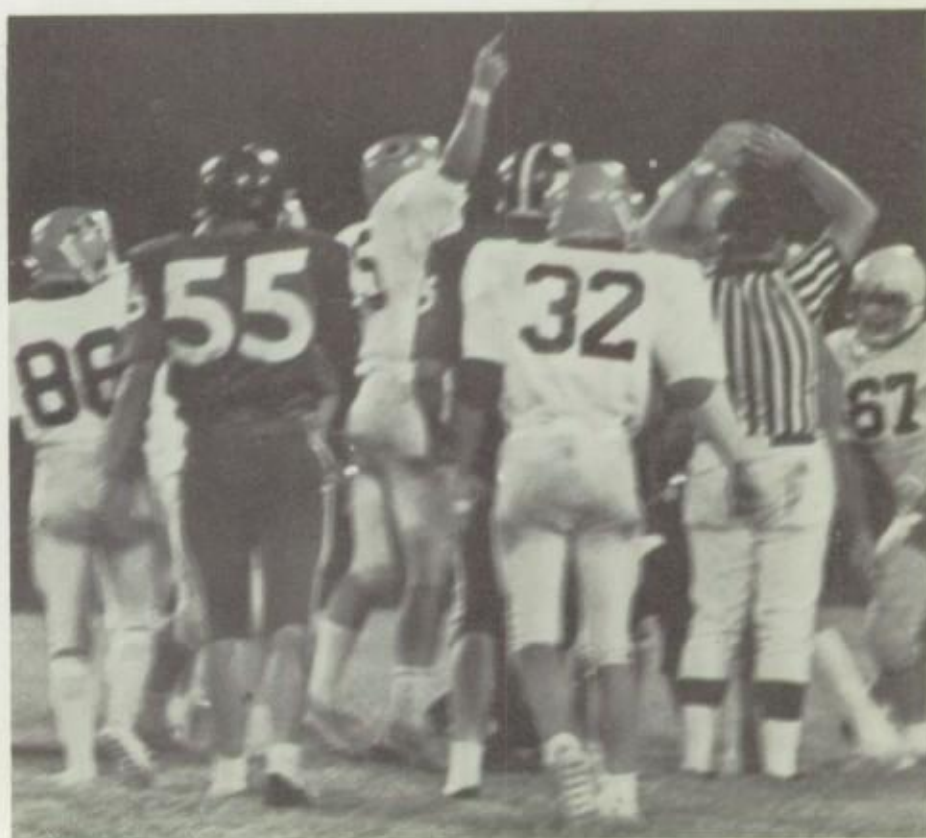

The Black squad squeezed by J. J. Pearce by a narrow 6-3 margin. Pearce led the game 3-0 until the fourth quarter. Denison began a scoring drive, led by the running of Derek Malvern, which brought them to the 10-yard line. Quarterback Randy Blankenship passed to Clay Burden who was in for a touchdown. The game ended on Denison's 6-3 lead.

Top players for the J.V.'s in these games were Larry Atnip, Nathan Beck, Doug Bilderback, Mike Castleberry, Dwayne Dyer, Brian Gray, Derek Malvern, Norman Monroe, Greg Neasbitt, Bruce Strandlien, Earl Williams, and Bob Wilson.

Doug Bilderback signals a J.V. recovery as future Jackets Todd Taylor (88), Walter Gentry (32), and Mel Hander (67) look on, below.

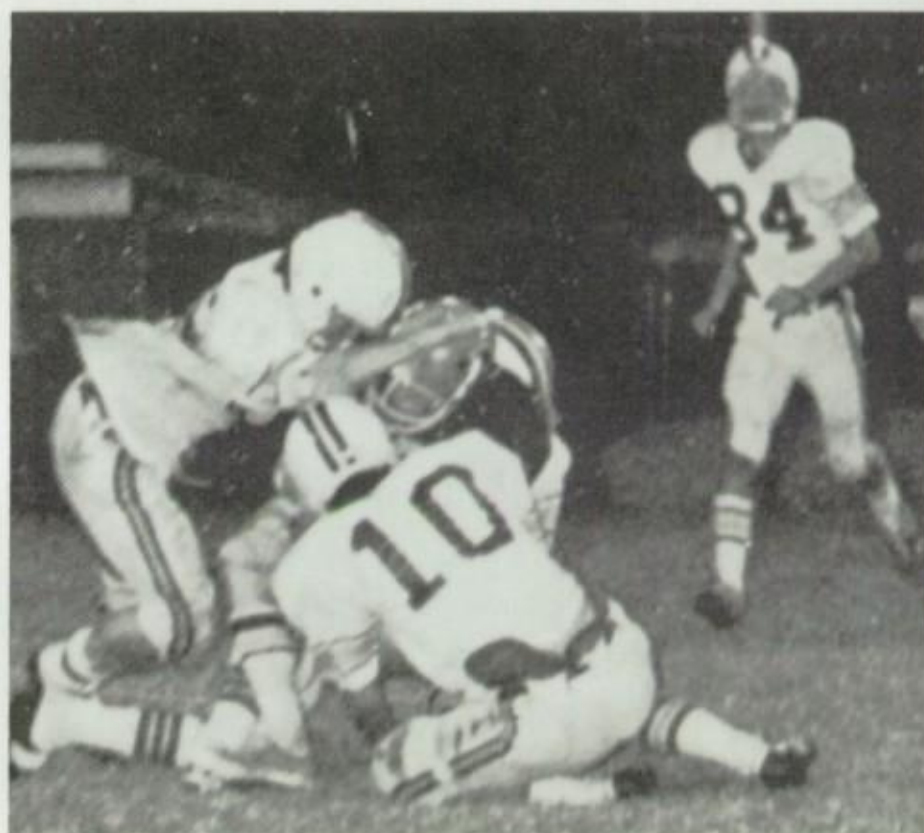

## J.V.'s Drop Three

The Gold team dropped its third game against J. J. Pearce by a 14-0 margin. The large Pearce defense held the J.V.'s scoreless although the J.V.'s moved the ball well under quarterback Jeff Aday. The Pearce offense battled Denison defense to put up 14 points and post a victory over the Gold J.V.'s. The Black J.V.'s lost for the first time in the season when they confronted the Sherman team at Bearcat Stadium. Although the J.V.'s played a hard game on offense the lapses in defense allowed Sherman two scores. The team was allowed good defensive position which was due to the punting of Ken Matthews. The

position led to the first and only Denison score made by Brian Perdue from the six-yard line. Sherman took the lead before halftime and added on another score in the second half. Denison did not pose a threat again throughout the game and Sherman won 14-6. The Gold team lost to North Mesquite 25-6 although the J.V.'s played a close game for three quarters. The lone Denison score was in the third quarter when Joe Locke went over from the 3-yard line. The J.V.'s next faced Bonham and Paris with a 0-4 record for the Gold and a 3-0-1 record for the Black team.

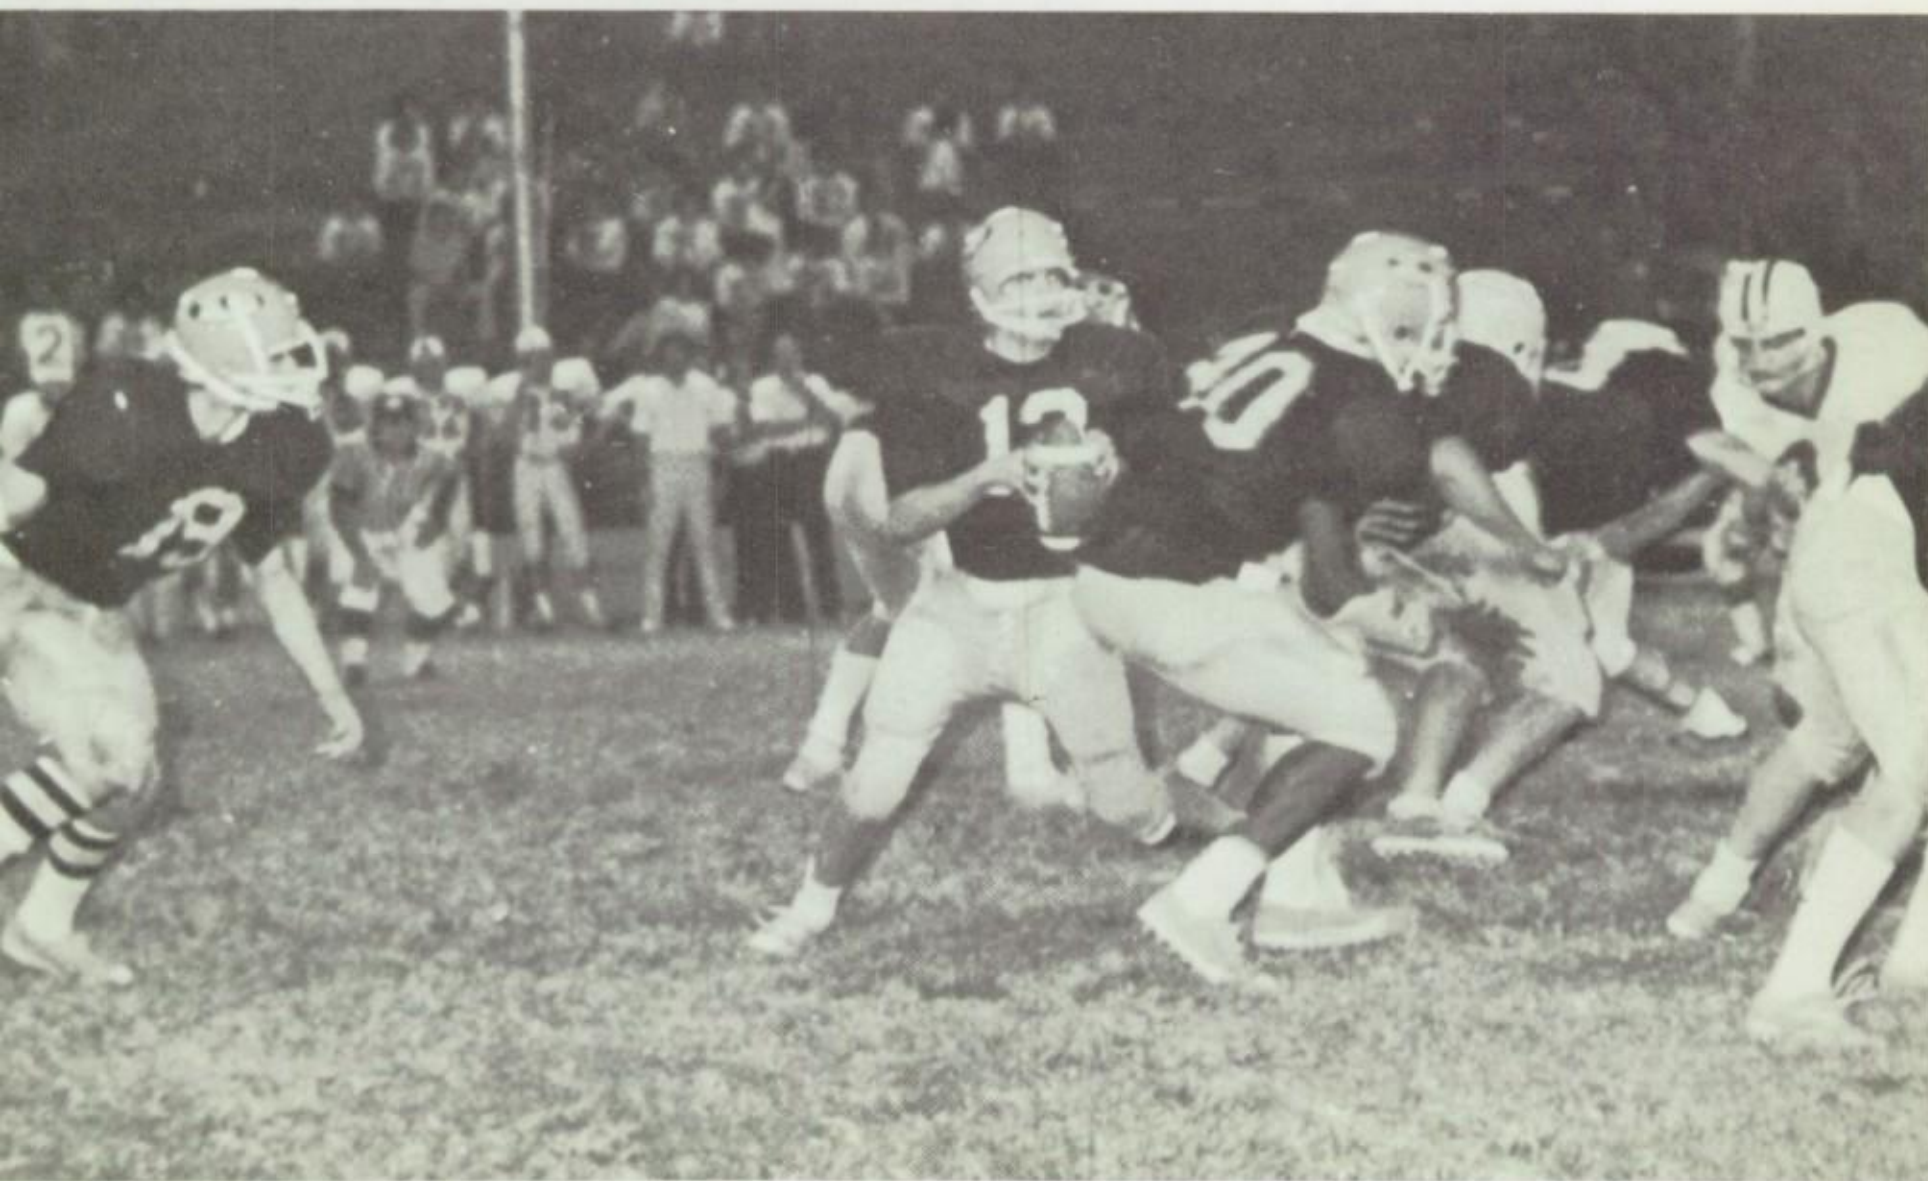

# Win Two

Top, Randy Blankenship (12) hands off to Greg Neasbitt (7) in an attempt to gain a first down. Blankenship (12) prepares to pass as Derek Malvern (40) and Larry Atnip provide secondary defense.

Both Black and Gold J.V. teams took victories in Paris and Bonham. The Gold squad took an automatic win by Bonham's forfeit in a scheduling mix-up giving Denison a 4-0 win. The Black team took Paris by a 20-0 margin. The tough Denison defense never let Paris inside the 30-yard line. The J.V. offense did not get over the goal line until the third quarter when a drive by Larry Atnip and Craig Adams set up a score by Atnip. A few plays later the ball was turned over to Denison and QB Randy Blankenship shot Clay Burden a touchdown pass for 60 yards. Greg Neasbitt later went 30 yards for a score. The Denison defense then sacked Paris for a safety.

# Girls Start Volleyball

The Girl's Athletic Department kicked off its second year with the volleyball program. Coach Ann McFarland led the team into the heat of district play in September with outstanding play from both Varsity and Junior Varsity squads. The Varsity team took a 3-5 record beating Bonham, Paris, and Greenville but falling to Pearce, Berkner, Richardson, and Plano. The J.V. team took a better 5-3 record beating Bonham, Sherman, Paris, Greenville, and Plano but falling to Pearce, Berkner, and Richardson. The girls fell after the first two matches in the Grapevine Tournament, however, losing to Everman 15-10, 15-1, and to Fort Worth Richmond 15-9, 15-10.

The band students gathered to initiate the new members October 24. The seniors took the sophomores into servitude, along with new band members, for a full week before holding the initiation itself. The initiation featured an obstacle course and bobbing for tomatoes in whipped cream. Pies were custom made for the occasion and contoured to the initiates face. Afterwards, faces were painted and refreshments were served by the juniors.

# Jackets Ram Rams, Tame Cats

The Jackets record took a big jump in October with victories over Paris, Berkner, and Greenville and a tie with district leader Richardson. Denison waxed Paris 33-14 in a game that was dominated by Jackets from the start of the second quarter. Scorers were Hosea Chumley, Gary Davis, Bennie Jenkins, Chris Luper, and Al Penn.

The Jackets downed the Rams of Berkner 37-7 in a game to restore the fans faith after the defeat at the hands of Sherman. Scoring Jackets were Bennie Jenkins, Charles Jenkins, Jared Moore, and Al Penn, extra points by Moore.

Chris Luper (31) receives a pass deep in the end zone as a Berkner player tries in vain to block the pass, left above.

Jackets Charles Jenkins (85), Gary Clark (33), and Chris Luper (31) take a breather on the bench during the game in Paris.

## Jackets Tie Leaders

The Richardson Eagles were beaten but not outscored in a close game with the Jackets ending 6-6. Richardson was undefeated and leading 13AAAA in football. The scoring began in the second half with a 64-yard run by Al Penn. Richardson notched 6 points and Denison penalties kept the Jackets from moving until the final seconds. From the 12, a missed field goal left the Jackets tied 6-6. At Homecoming Denison easily downed Greenville 37-3 on scores by Hosea Chumley, Bennie Jenkins, Charles Jenkins, Ben Jones, Tommy Locke and Al Penn.

Bubba Coney (21) and Paul Pitts (23) take down a Greenville runner with the aid from several other Jackets.

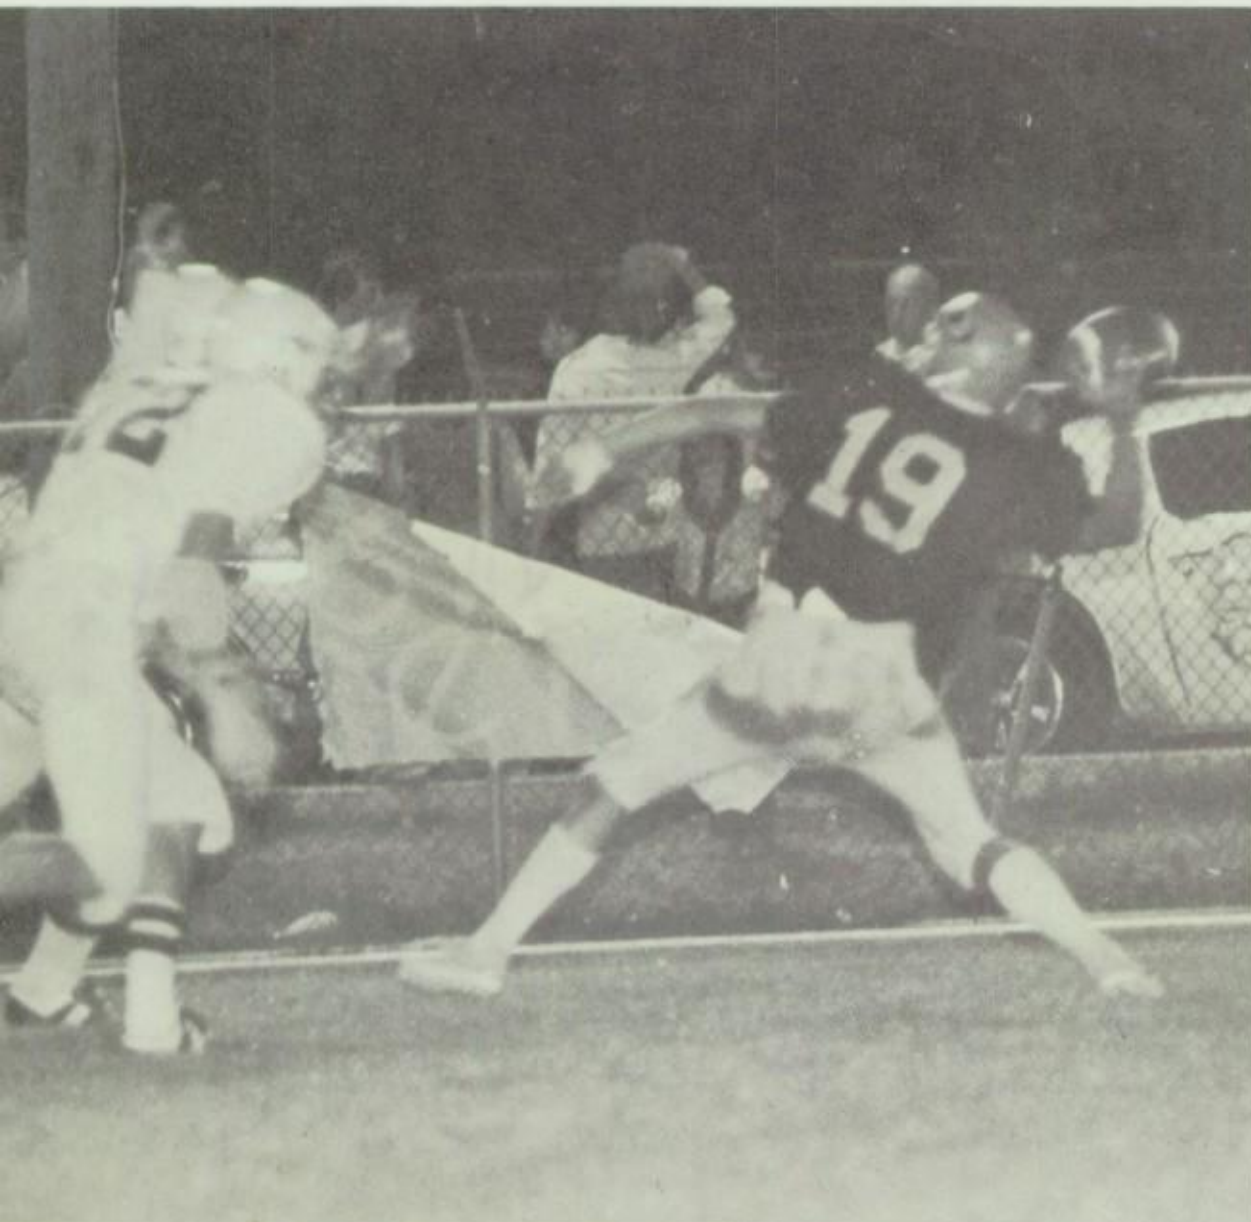

Above, a pass from Bennie Jenkins just brushes the fingers of Aaron Wells (14) and drops into the waiting hands of Gary Davis (24). Davis was tackled but gained a first down.

## *JV's Sack Berkner*

The Black J.V. squad downed Berkner 22-6 but the Gold squad fell to Lewisville 2-0 in a rainy spell of weather. The Black J.V.'s came down on Berkner in second half action with scores by Derek Malvern and Randy Blankenship. The Gold squad was downed by Lewisville in the last 25 seconds of the game on a safety. The teams stood even until the final quarter when a wet slippery ball set up a safety for Lewisville's 2-0 victory.

Cecil Mayes breaks loose for a first down on this 25-yard run and set up a scoring drive of 15 yards.

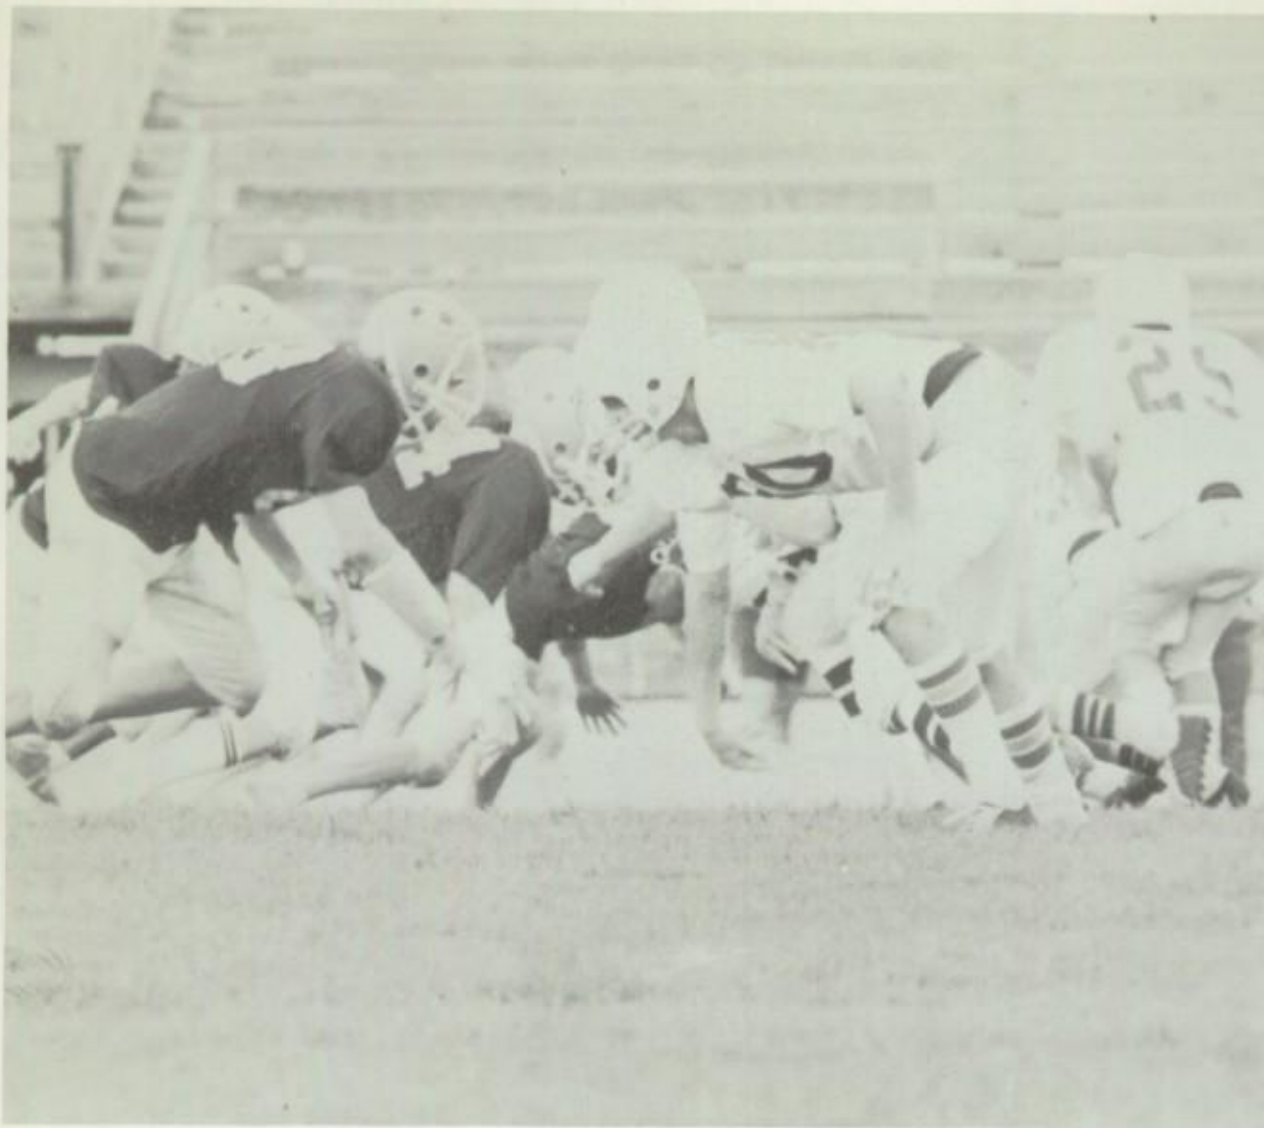

Larry Atnip (19) flings a pass in the game against Richardson Berkner. The Black team sacked Berkner 22-6 in the October game.

Derek Malvern streaks downfield with the ball after a handoff from quarterback Randy Blankenship.

## JV's Split Richardson 1-1

The Black J.V. team upset the undefeated Richardson J.V.'s 21-6; the Gold team fell to Richardson 27-0.

The Black team was near their second shutout game of the season but were surprised by Richardson on a 65-yard TD play. Denison scores were made by Clay Burden and Bob Wilson with extra points by Mike Castleberry.

The Gold team, although held scoreless, showed improvement. Key defensive player in Richardson game was Walter Gentry with Craig Adams and Louis Barret on offense.

Left, the Denison "doomsday" defense seeks to halt any gain by the opponents.

Coach Sparks and manager Mike Anders discuss game strategy with Derek Malvern (45), above. Malvern was one of the leading J.V. scorers in football.

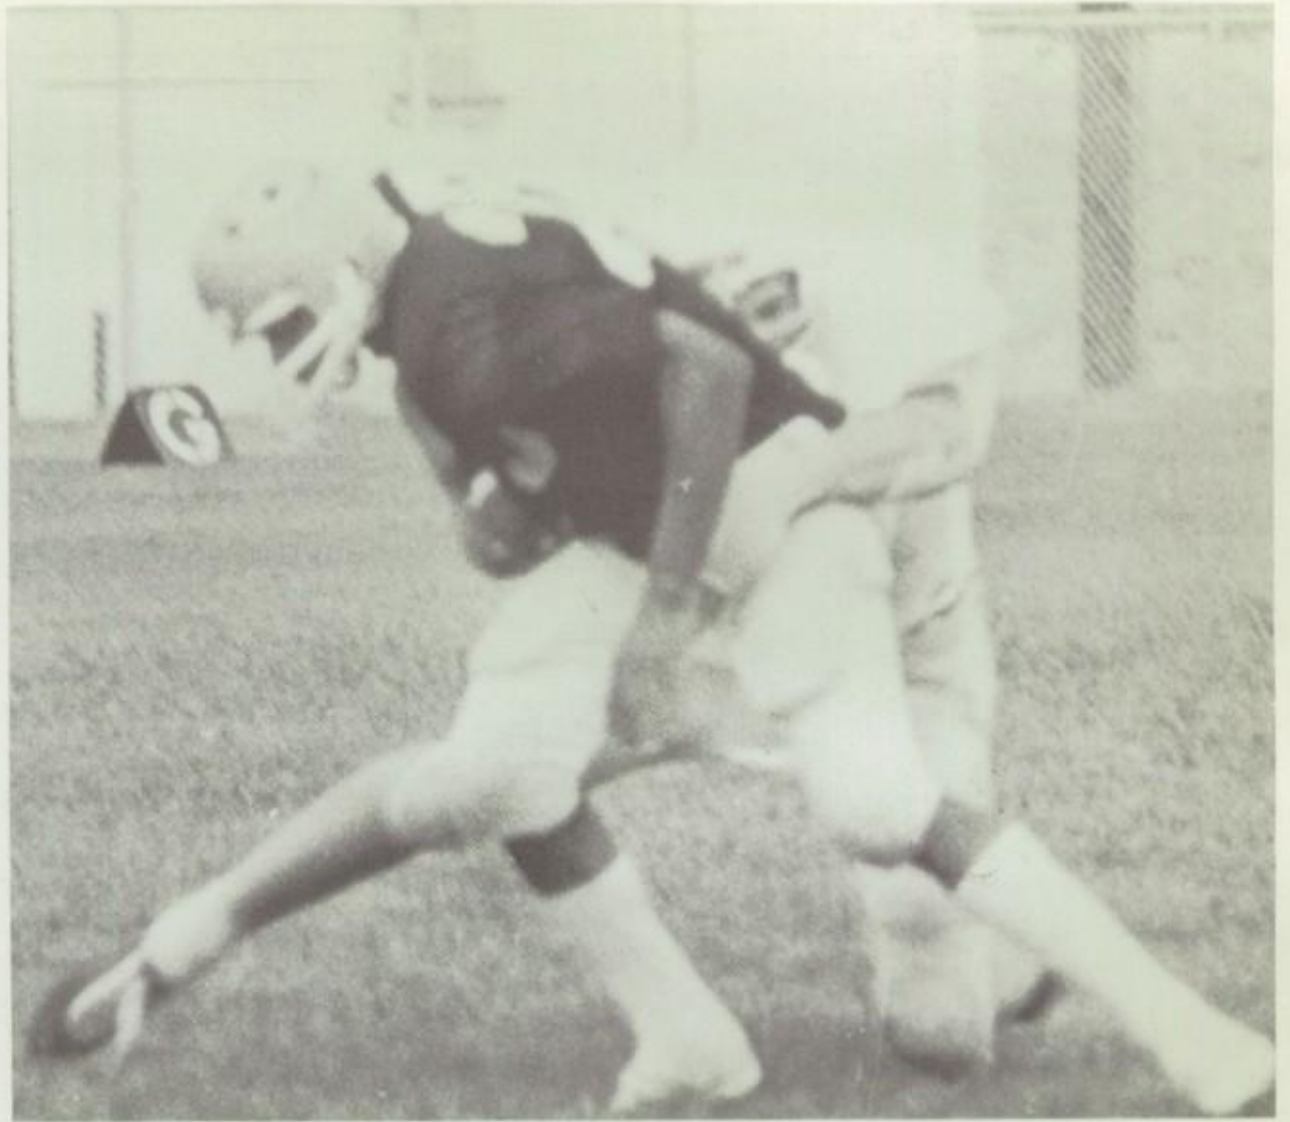

## *Junior Varsity Downs Plano*

The combined Black and Gold Junior Varsity downed Plano 18-14 the week after the Black's loss to Greenville 36-12 which cost them a chance at a district title.

Nathan Beck's interception capped off a potential scoring drive in the final minutes to give the scores of Larry Atnip and Greg Nesbitt winning preference.

Although the Black squad scored two times on Greenville, one each by Larry Atnip and Derek Malvern, the score fell short of Greenville's 30 points for a disappointing loss.

Jerry Withrow (23) gains yardage by dragging a Plano defender, right.

The Jackets supported the J.V.'s whenever possible. Above, the Varsity football players cheer on the J.V.'s in a scrimmage match against Lancaster before one of their own games.

Again Denison popped back, beating Pearce 15-5, 15-3, only to lose this time twice. The ladies were downed first by Berkner 8-15, 3-15, then by Richardson 2-15, 7-15. Again the girls came alive for two consecutive wins over Greenville, 15-11, 15-10, and over Whitesboro 15-7, 15-4.

The Jackets easily downed Plano and Lake Highlands in their final game to give them a second place in district behind Sherman.

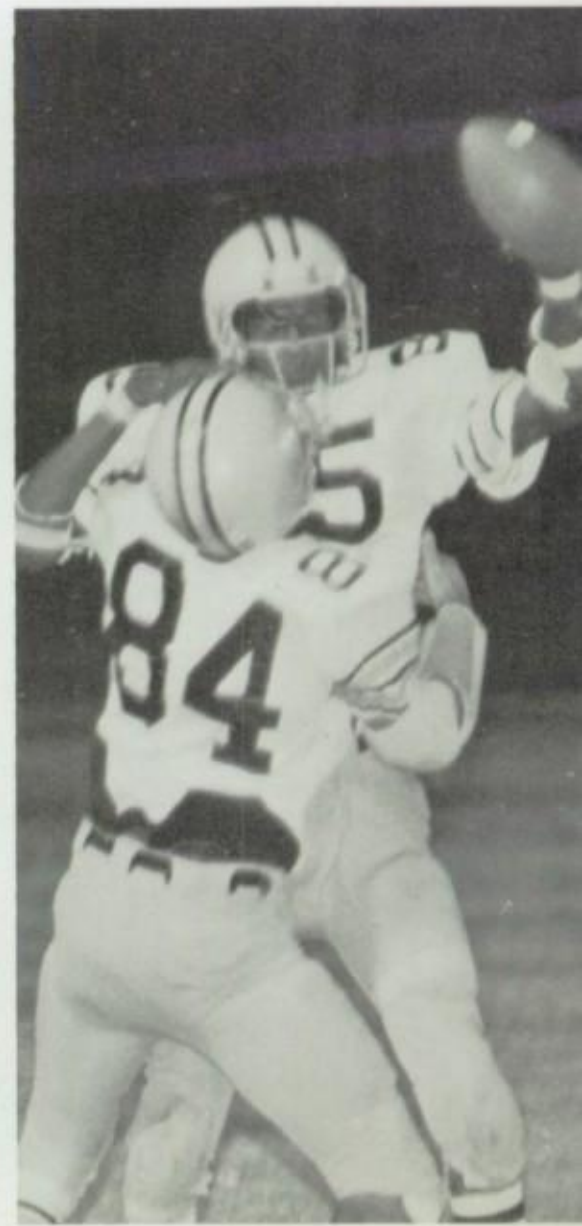

The Plano Wildcats could only lead for several minutes and then lost to the scoring ingenuity of Mark Roewe. Roewe replaced Bennie Jenkins after Jenkins left with a shoulder injury. Scores by Gary Clark and Charles Jenkins set up the Jackets win.

Denison had no problem beating Lake Highlands 37-15 on touchdowns by Hosea Chumley, Charles Jenkins, and Chris Luper.

The J.V.'s came from behind in the second quarter after a Plano score and conversion on Larry Atnip's second score for a 12-8 lead and a third score by Greg Neasbitt totaled the 18 points needed to win. Plano scored again in the final quarter but an interception by Nathan Beck prevented any further drive on Plano.

## Jackets Win First Three

The Jackets opening basketball games against Mesquite, R. L. Turner, and Sunset encouraged the Jackets to keep on fighting. The season opener ended in a Denison win 77-65, 23 points of which belonged to Brian Caldwell, high point scorer for the game. Dwight Parker put in 16 points to contribute to the year's first win. Clint Gentry dumped 17 points in the first half against R. L. Turner to allow Denison a 64-60 win. Gentry brought the record to 24 points to take high point score in the game. The Bisons of Sunset were easily downed by the Jackets 64-49 for the team's third win.

The Jacket girls led from the start and built a 25-16 halftime advantage. Jackie Jenkins paced Denison with 30 points.

Girls basketball opened November 16 with the Jackets facing McKinney. The Lions ran off to an early 21-2 lead and Denison never caught up as they fell 70-31.

Frances Firesheets (30) dribbles down court covered by both a teammate and a Sherman player. Top, Angie Braxton (14) shoots for two points as Jackie Jenkins (32) looks on. Braxton was a leading scorer for the girls in November.

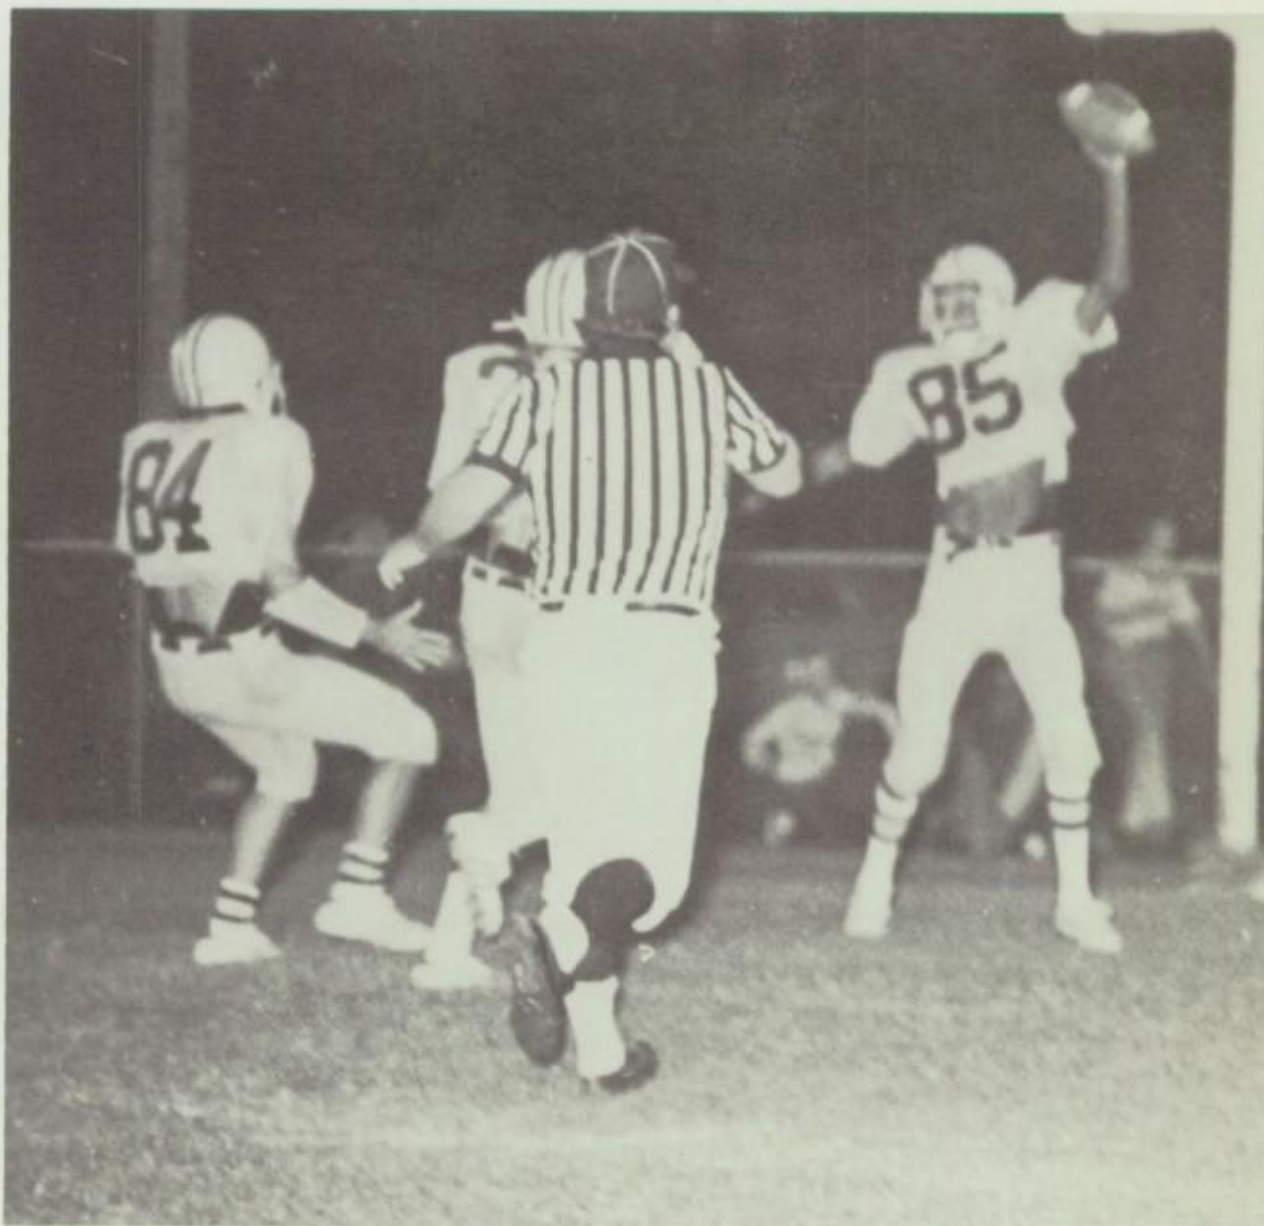

# Looking at Past Seasons

The Girls' volleyball squads, although they did not set an impressive record, continued to improve their prospects as contenders in the girls' athletic district. The teams, still somewhat new and inexperienced, were supported by numerous valuable players all of whom will return for the 77-78 season. With an 8-11 record this year, cries of "wait till next year!" still hang in the air.

"Pokey" Braxton returns a serve as Sissy Luper (10), Jackie Jenkins (15), and Cari Hunt (17) look on.

The '77 Yellow Jackets were disappointed by their loss of district title to state top rated Sherman Bearcats but finished a successful season with a second place in district and a 6-1-1 district record. Credit goes largely to the Jenkins brothers who connected time after time for scoring plays. Credit must also be given to the coaching job done by the new athletic staff which showed hard work with encouraging results. Last, but not least, credit is due to the Jacket defense for their job against opposing scores.

Charles Jenkins (85) indicates a score at a Denison game as Glenn Blount and the referee look on. The Jackets found score after score across for a season total of 230 points.

# Winter Projects Join Students, Community

Community service and involvement were added to the usual rush of Winter activities in December.

An Arts and Crafts show December 3-5 at West Park Shopping Center benefited the Frontier Village restoration project. Stinger photographers Kevin Farley, Jim Steele, and Randy Talley took pictures of people in an antique sleigh with a winter landscape background. The sleigh was donated by the grandchildren of Billie Mosse a blacksmith who owned and made it. Proceeds from the sale of the pictures went into the village fund. Photography students showed their work in a high school gallery display at the fair.

United Service Club members with the help of area industries sponsored a "Teacher Appreciation Week" November 29-December 3. Industries contributing to the project were Safeway, Burtis Drug, Citizens National Bank, the Army, the Navy, the Marine, Ashburns, Coca-Cola Company, and Denison Peanut Company. The teachers received a different gift each day of the week.

Drama students attended the Oklahoma State Forensic Contest at Southeastern Oklahoma State University, December 10-11. Mary Ann Anderson and Susan Faber received first place in duet acting. Their selection was excerpts from "The Miracle Worker". They competed against twelve other pairs from all over Oklahoma and parts of Texas.

Junior class rings arrived December 14 in the cafeteria.

The Art Club sold Straw Christmas wreaths as their money making project. The wreaths were made of straw, mistletoe, and various ribbons.

The money they raised from this project was used to pay for their State Convention fee which they attended in February. As one of the many money making projects the United Service Club had, they sold buttons with a design of the buyers choice or his own design. Below, Mark Roewe is shown making a button with the hand press machine and, right, Joe Diehl is wearing the finished product. A closer look at the hand machine, bottom, shows how easily a button can be made.

# U.S. Club Holds Christmas Dinner

The United Service Club celebrated the Christmas season with a dinner and dance. The cafeteria ladies served a delicious ham dinner with mashed potatoes, green beans, and hot rolls. The club presented their sponsors wives, Mrs. Terry and Mrs. Coulter, with corsages. The middle-of-the-year dinner was just one of the many events of the U.S. Club.

# DHS Students Celebrate Christmas

Christmas is the time for good will toward all men, teachers and students included. All people show their happiness at Christmas in different ways. Some decorate their rooms with trees and pictures. Others give gifts, exchange cards and still others give parties. Students and teachers alike try to finish all homework and grading to enjoy the festive season to its fullest.

Mr. Ernest Smith, opposite page, upper left, displays the Blacks-in-Action turkey he won. The money collected was used for a senior scholarship. Mrs. Ruth Whitworth's VOE room takes on a festive look because of the Christmas tree opposite page, upper right, displayed there. ## ***Snows Cover Deminon***

The weather was one of the amazing and strange things about this year. For the first time since we, the members of the class of 77, at least, it snowed as early as November and the streets were so bad in January students were unable to go to school for five days.

Below, the parking got hectic this year as usual, and there was more talk of another parking light. Right, Vicki Jolly and Chris Luper worked on their pottery in Miss Mary Ruth Bonn's art class. Bottom, Gary Green removed the water from Mrs. Sylvia McBrayer's room while her classes evacuated to the library.

Because January's right after the Christmas holidays, students may be glad to be back with their friends, but think, only five more months!

Top, Gene Cullison watches warily as Donna Franklin takes his blood pressure for Health Occupations. Left, Richard DeHorney's gone nuts already; singing to Mr. Terry's stuffed gila! Above, Mark Hemperley couldn't wait until summer, he's already freaked out!

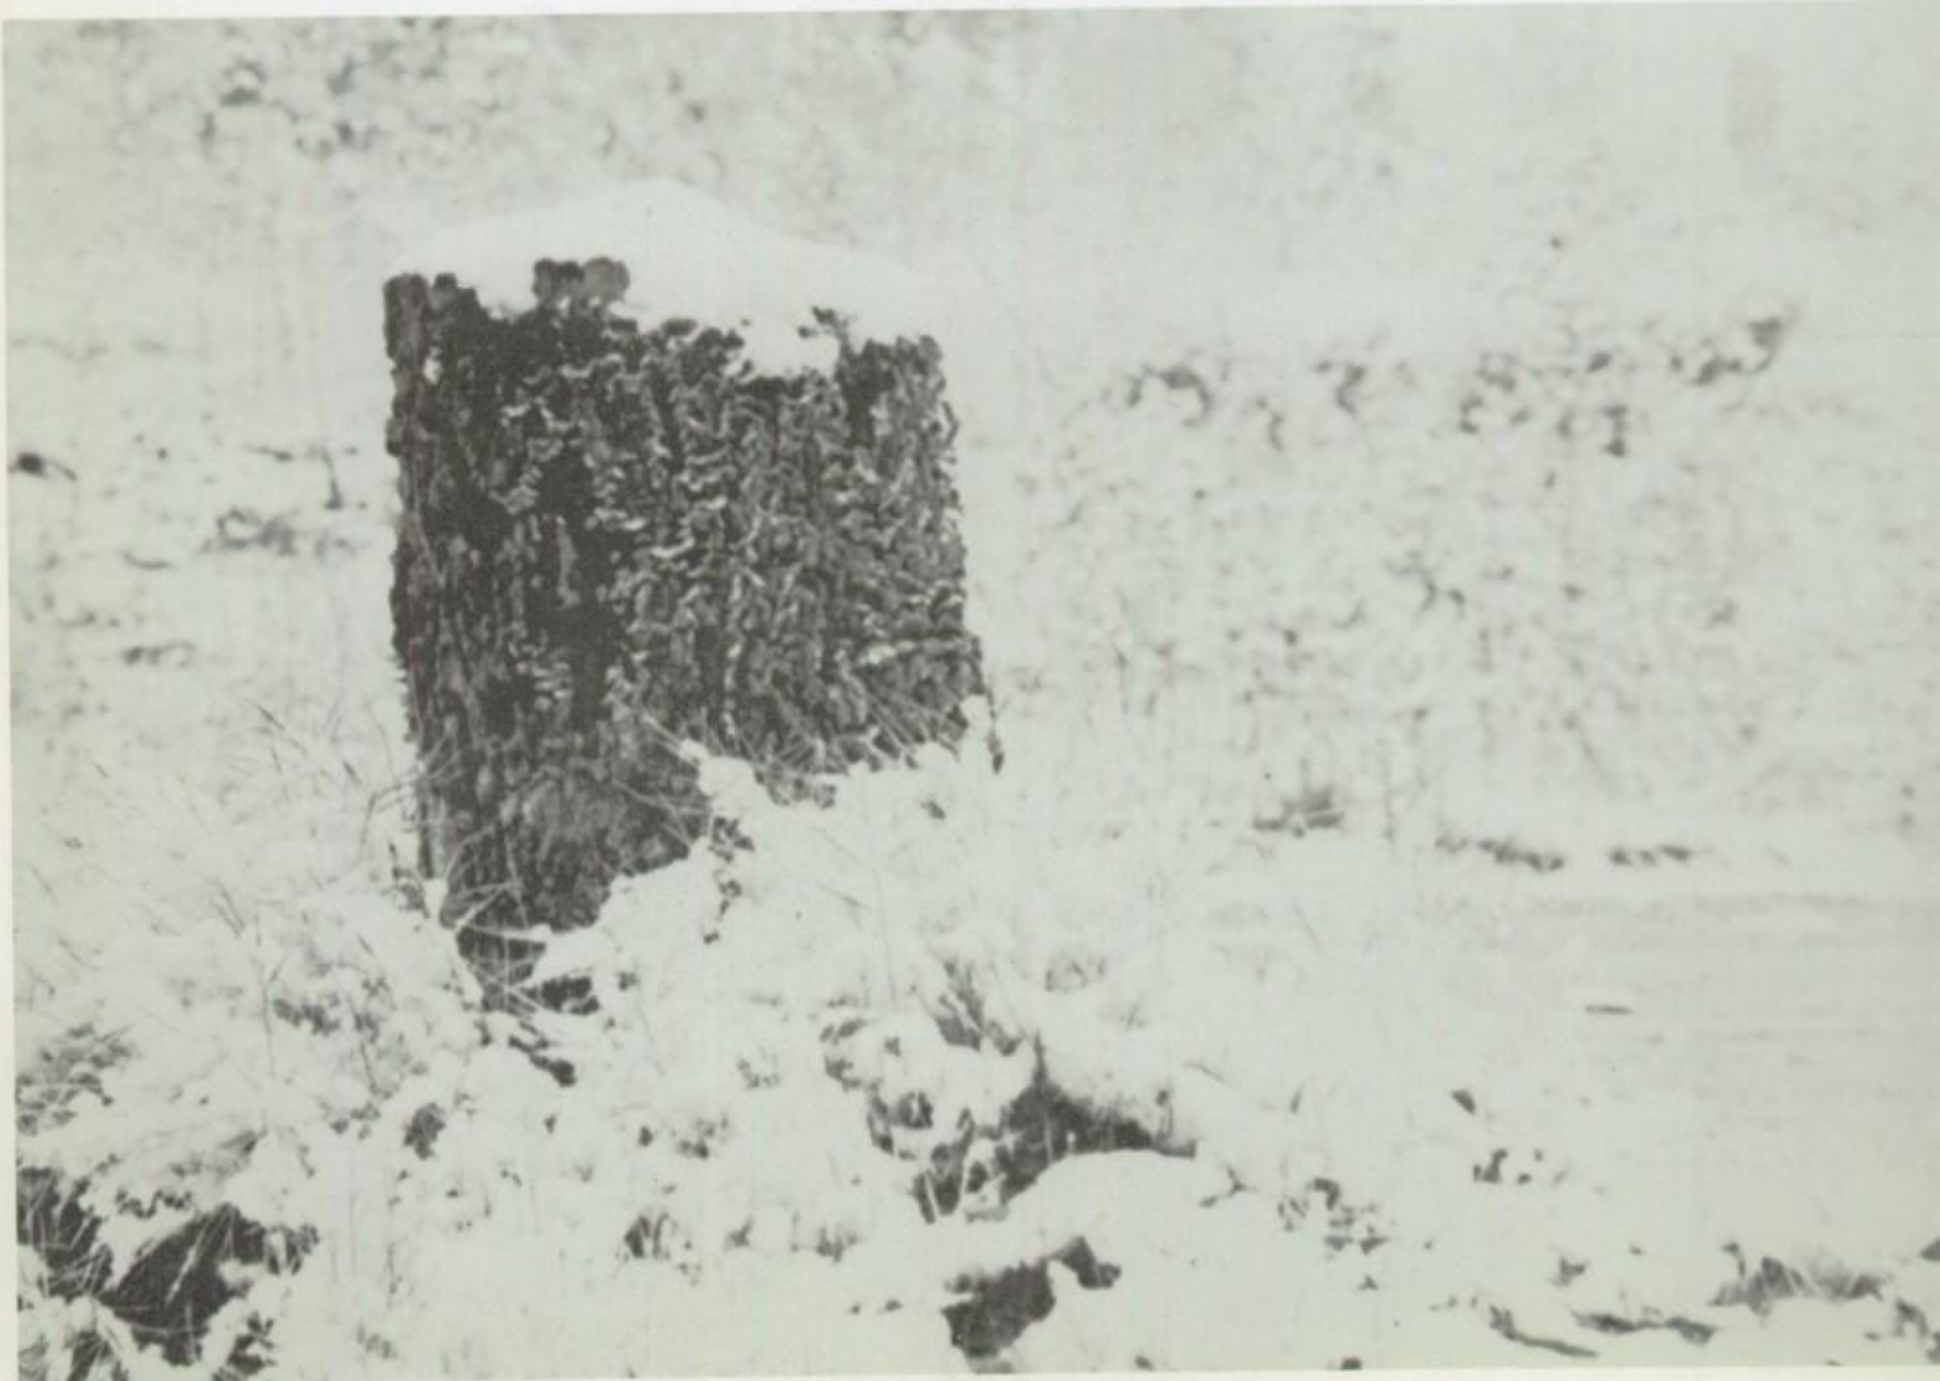

## *Students Start New Year with Snow*

Mr. John Terry's Honors Biology Class spent six weeks dissecting a pig. They learned about the anatomy of the pig which is similar to the human anatomy. There were approximately 22 students involved with the project.

During the month of January there was more snowfall than usual for this area, and for those nature lovers, the blanket of snow was a beautiful sight. School was closed five days because of cold, icy weather.

Mother Nature was generous this winter with an abundance of snow, and these Denison youngsters took advantage of it, and no doubt there was an abundance of snowmen too.

## Denison Roundballers Down Sherman

In January the Jackets played their best basketball of the season. Denison opened with a big 76-63 win over Richardson. Mark Roewe led the attack with 23 points.

Denison continued, ripping Greenville 82-56. The Jackets then slipped past Plano by five points in a tough contest.

The Jackets put away the first round district title January 18 with a victory over Lake Highlands.

Second round play opened with the Jackets fighting off J. J. Pearce 63-58. Denison then ripped Sherman 62-36. The Jackets completed the month perfectly with a 94-66 thrashing of Paris.

# Girls Basketball Improves

Above, Jackie Jenkins lays up 2 points as an unlucky defender simply watches.

Denison's girls basketball fortunes improved in January, though they were unable to win.

The Jackets fought January 6 behind the shooting of Angie Braxton. However, the final all-around performance of Sherman forward Juanita Campbell paced the Bearkettes to a 17 point win.

The Jackets then faced three Richardson schools in successive games. Lake Highlands, Richardson High, and Berkner all had easy wins over Denison. Jackie Jenkins and Braxton paced the Denison scorers. PLano also added to the girls' troubles, dumping them January 20.

Denison then lost to Greenville 45-35, and a close one to J. J. Pearce 46-40. The Jackets closed the season with a 71-33 loss to Richardson and a 45-15 loss to Sherman.

Upper right, Vickie Bizzle (12) shoots over the arm of an opposing player. Above, Vickie puts up a layup.

Other players were Johnny Allen and Dirk Bullock, who fell to R. L. Turner's eventual winners, and Tina Hamers and Donna Skaggs, who lost first round to Trinity 8-3. The teams prepared for their next tourney at Trinity, February 4.

## March Begins Final Stretch

March saw a flurry of activity with a special program by the Denison Police Department for the Student Council, above, the All-Sports Banquet, right, the presentation of a club banner to the United Service Club, and 77-78 cheerleader tryouts.

The Denison Police Department answered questions for Student Council members in the library in a program both unusual and interesting. The police, seven in all, were introduced to the group and spoke on subjects concerning law from drugs and alcohol to search and seizure ordinance. Texas Association of Health Occupations students held district contests here with state qualifiers competing in Houston in April. Right, standing from left are Jim Steele, Ann Anderson and David Watson, president. Seated are Patti Taylor and Donna Franklin. Franklin placed second in state last year and is employed at Jewel Care Center.

The United Service Club received a banner of green and yellow felt with gold fringe as a standard. The club's emblem was proudly displayed and permanently hung in the library. Connie Bentley who made the banner, right, presented it to president Mark Roewe.

The 1977 All-Sports Banquet was held in the D.H.S. cafeteria to honor all D.H.S. athletes. Guest speaker Shelby Metcalf, head basketball coach at Texas A&M, gave a humorous speech to the group.

The 77-78 cheerleaders were voted in March 3 after tryouts that morning in homeroom. Students' choice for Varsity cheerleaders were Janye Ann Maxwell, head cheerleader, Janet Alberding, Danna Clay, Dawn Hopkins, Shelle Ray, and Dee Dee Woluing, with Joan Stinson as alternate.

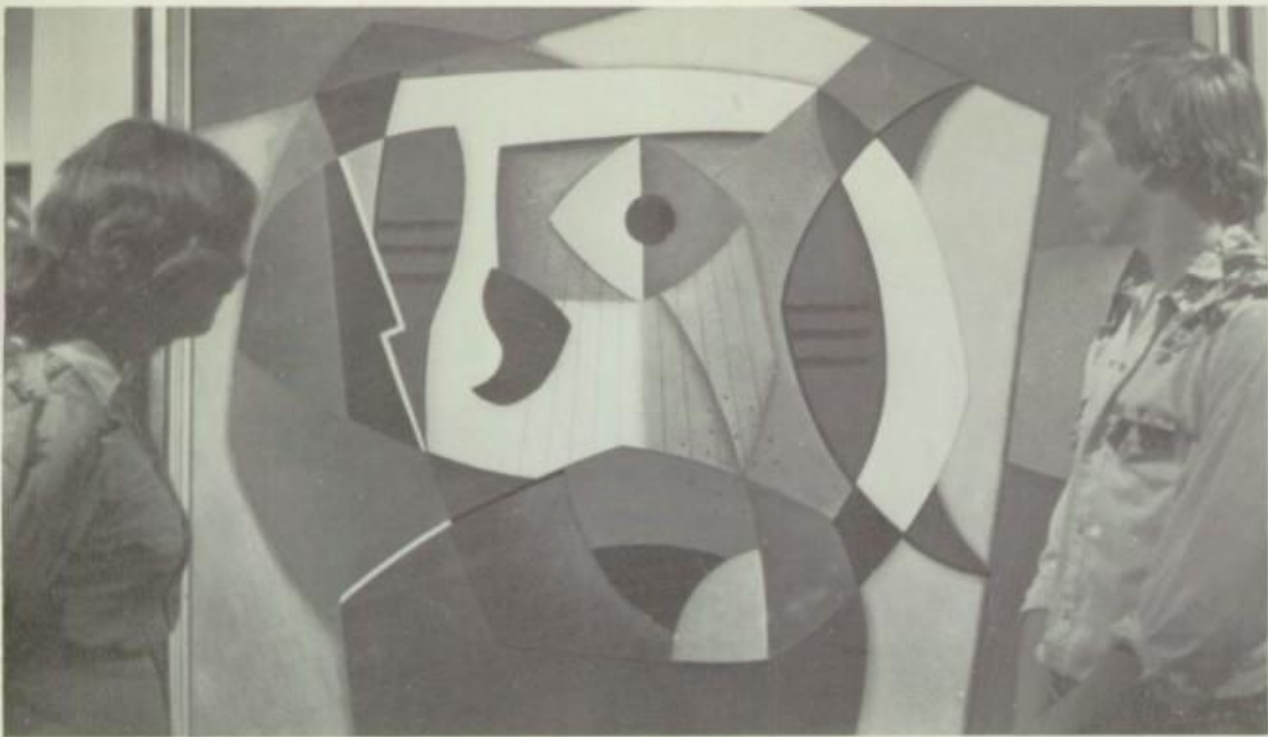

# Latin Students See Ages of Art

Latin I, II classes went to the Dallas Museum of Fine Art located in the Fair grounds in Dallas. Students Pat Baumgarner, John Harris, Phil Nicholson, Richard Franchek, Don Taylor, Jeff Walton, Mark Furlong, Tim Womack, Bernadette Gray, Britt Robbertson, LeAnn George, Jeanette Marlow, Kimberly Schick, Vanessa Hall, Teresa Taylor, Sheryl Collins, Dawn Parker, Regina Terrell, Tony Peterson, and Dean Ross with sponsor Mr. William Gray toured the museum for several hours viewing various pieces of art. They studied the status of the Greeks with their ancient beauty, the tools of Black Magic from the Africans with their mystery, and the different styles and types of modern art. After a day of viewing many types of art from different periods of time, the group ate at the El Chicos on the Fair grounds.

## *Jackets Begin Baseball Season*

Denison got off to a roaring start in baseball with two easy wins over Bowie. In the opener, the Jackets pounded the Jackrabbits 9-0. Dwayne Ward took the mound win.

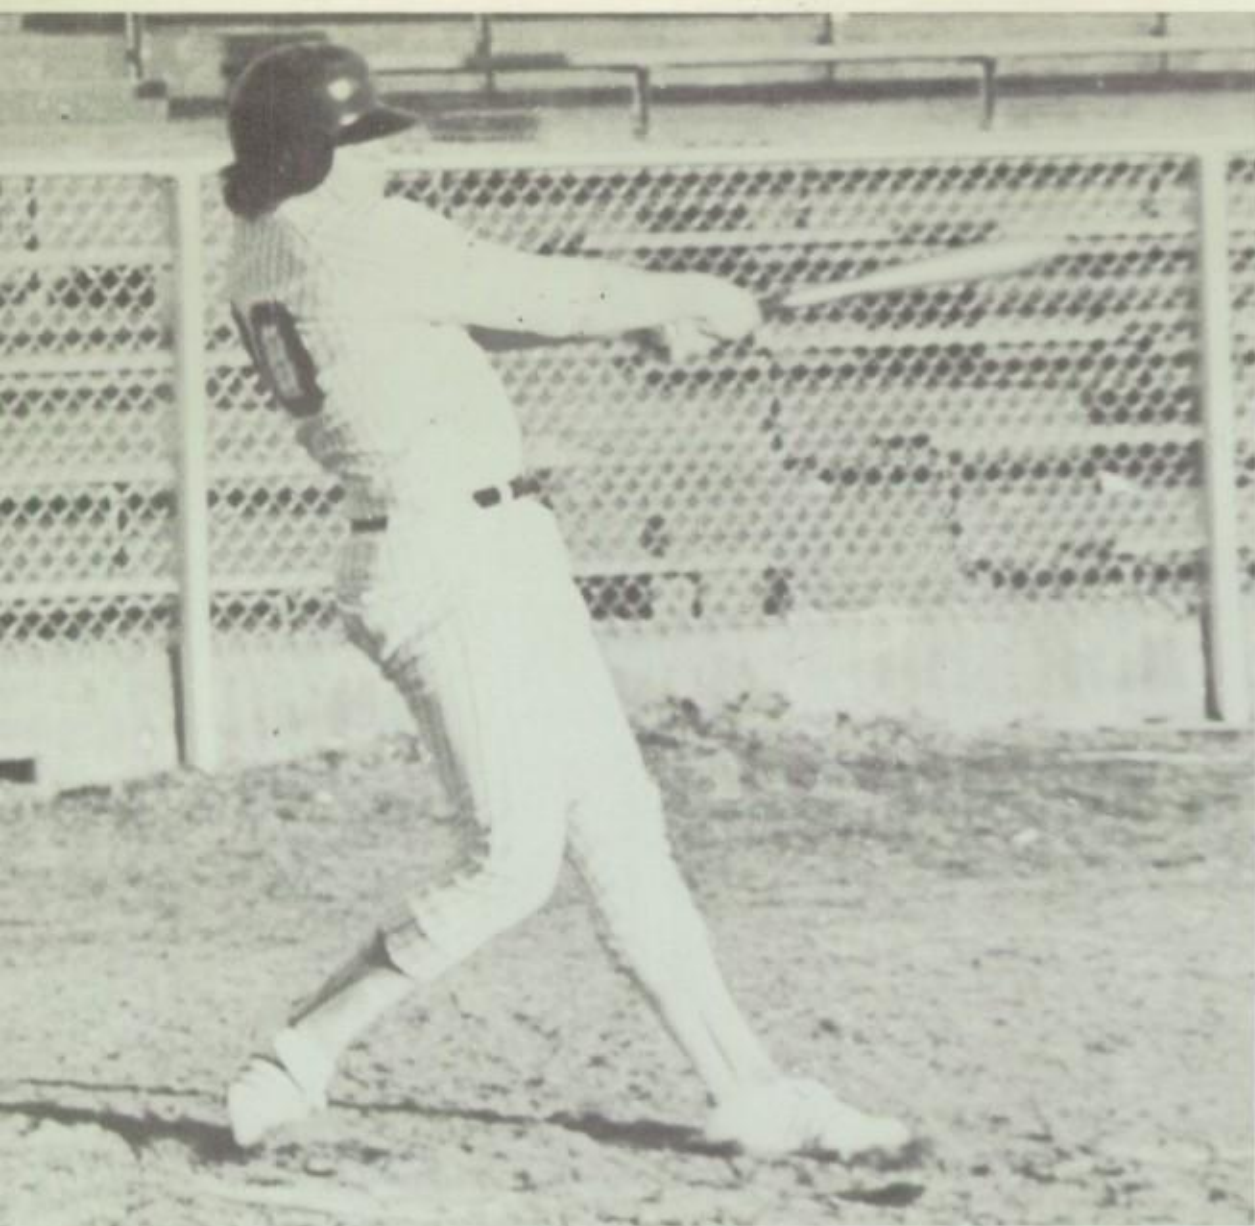

The Jackets again bested Bowie a week later 8-1. Terry Clay fired a one-hitter and the Jackets pounded out 16 base hits, three by Chuck Pauley. Mike Neasbitt pounded a tremendous 400-foot homerun in the rout. Every Denison player saw action and ten players had at least one base hit.

Right, Dwayne Ward, 17, speeds a ball across with Mark Roewe at third base.

Terry Clay, 28, races the second baseman to the bag in the Jacket win over Bonham. Clay was one of the ace pitchers for the Jackets.

## Denison Continues Wins

Denison's good baseball fortunes continued as they downed Bonham 1-0 in extra innings, March 6. Dwayne Ward went seven innings on the mound, but Ken Rosser picked up the win.

Next, the Jackets entered in the McKinney tournament. Terry Clay fired a three-hit shutout as Denison nipped Sulphur Springs 2-0 in the opener. The Jackets then eliminated the host McKinney team.

March 10, Denison fell in the finals to district 13-4A rival, Paris. The Wildcats handed the Jackets their first loss 7-5.

district play March 15 on a sour note, losing to J. J. Pearce. Denison committed six second inning errors allowing the Mustangs to score all their runs in the 3-1 Jacket loss. Nathan Beck drove in the only Denison run with a double in the second inning. Terry Clay suffered through the fielding nightmare to take the mound loss despite not giving up an earned run.

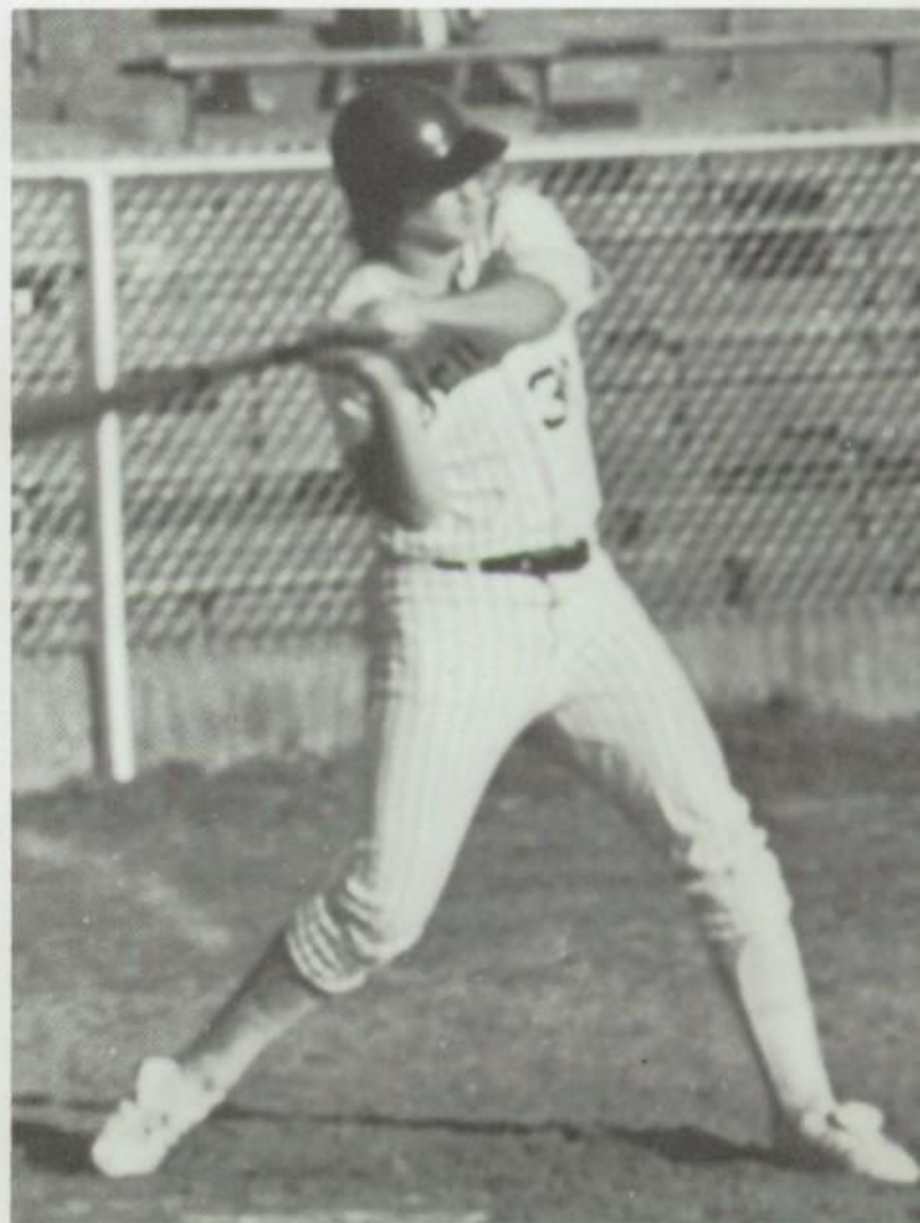

Coach Ty Comstock commented afterward that the Jackets were a better team than the pre-district favorite Mustangs. However, lack of experience plagued Denison.

Denison took their first district win March 22 over arch-rival Sherman 5-4.

Sophomores lead the Jacket assault. In the fifth inning, sophomores Nathan Beck, Greg Neasbitt, and Mike Castleberry had base hits to give the Jackets their victory margin.

Next Denison faced Paris where they lost 9-5. Four Wildcat homeruns proved to be too much for the Jackets. Denison could not come up with the big hit as they stranded 13 base runners. Terry Clay took the mound loss.

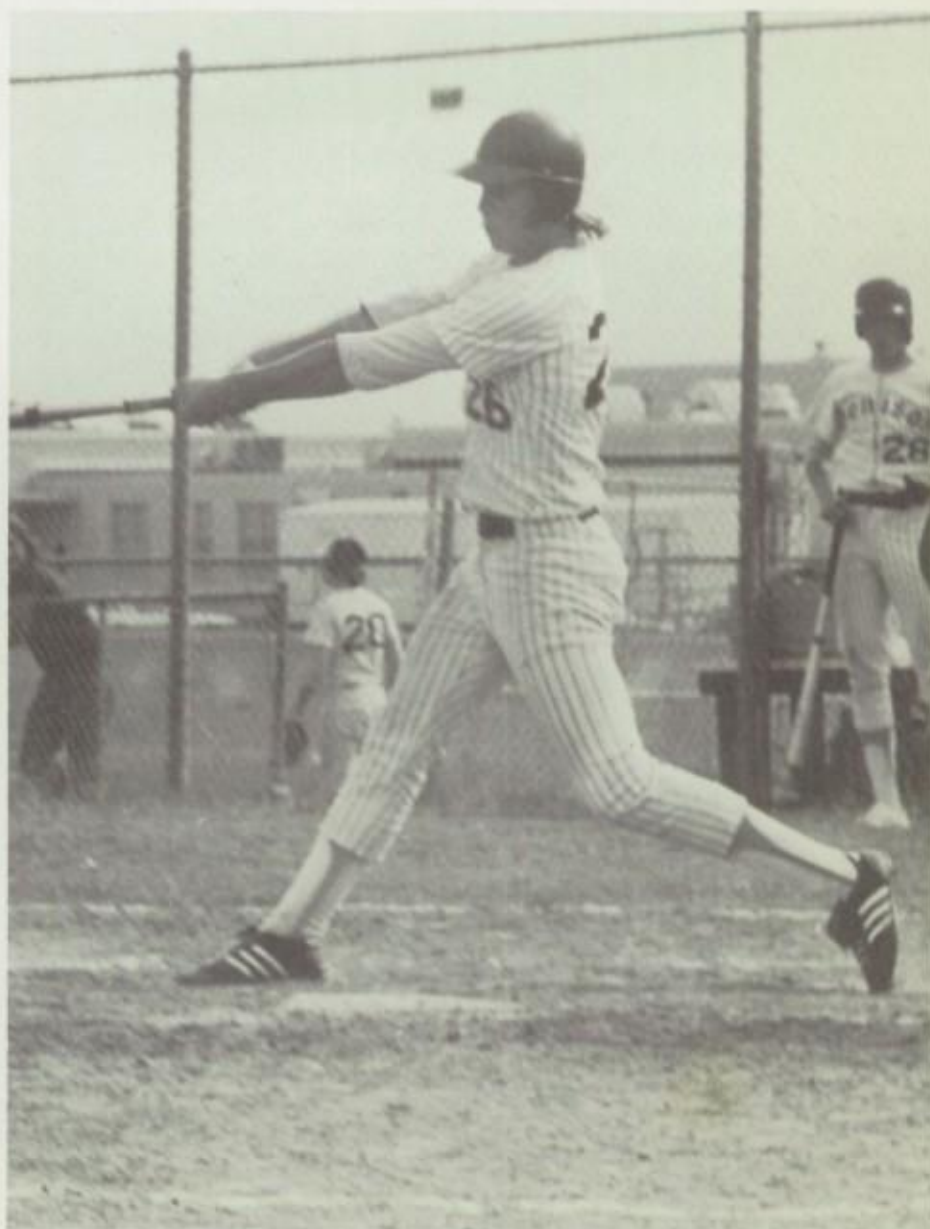

Left, Greg Neasbitt (13) takes first base on a hit to left field.

Jackets congratulate Mark Roewe on his homerun hit which won a crucial game against Plano. Tied 9-9 in the last of the seventh inning with two outs, Roewe slammed the homer for a 10-9 victory and a tie for a District 13AAAA championship.

Above right, Donna Carey and Bridgit Jenkins, sophomores, take to the track for an early workout.

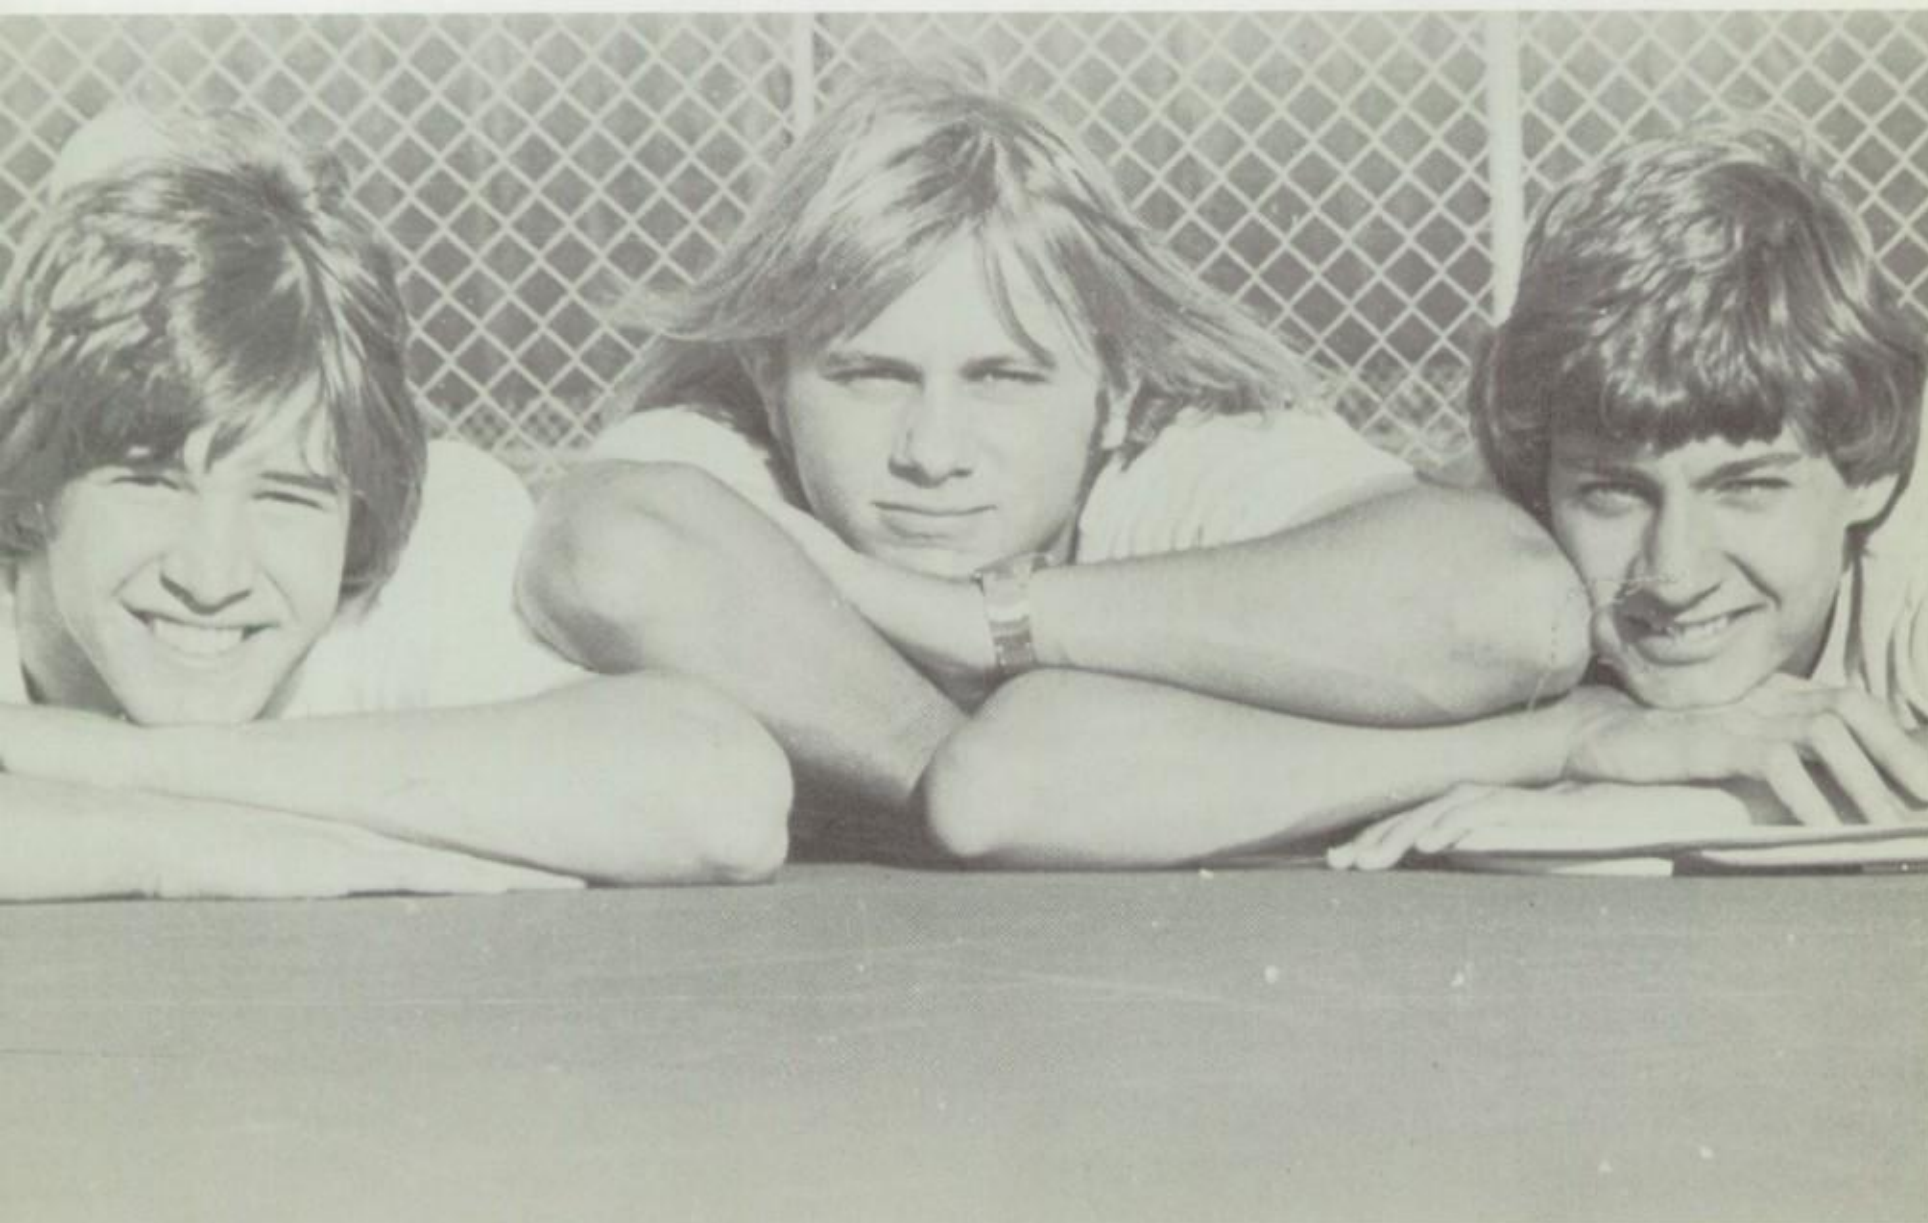

The tennis players were plagued by sickness and injuries but showed well at the Dual Match against Greenville by taking five matches. Winners were Jim Clowers (1-6, 6-2, 6-3), Bill Ashburn (6-3, 6-0), Karen Gatlin (6-3, 6-4), Michele Hibbitt (8-6) and Tina Boss (6-2, 6-2).

The players had another good showing at the Paris Invitational Tennis Tournament March 26, as Ashburn made it to the semi-finals.

Ashburn, right, started the day with a 6-1, 6-1 win over White Oak, 6-2, 6-0 over John Tyler, and 6-2, 7-6 over #4 seeded Terrel. Ashburn was then downed by Tyler Lee in semi-finals. Although no places were taken, several players went to semi-finals before falling.

## Jackets Down Plano 7-4

The Jackets six-run inning put the Plano Wildcats away 7-4 to possible district title. Bill Nicholson got on with a walk and came in on Mark Roewe's triple for the first score in the first inning. Plano tied up in the fourth quarter. The clincher came in inning six when Dwayne Ward, Mike Castleberry, Nathan Beck, Ben Jones, Mike Neasbitt and Greg Neasbitt came in that order. Greg Neasbitt brought in Mike Neasbitt on Greg's homerun, the first of the season.

Top, Jacket players had constant support from the bench as the reserves and designated hitters kept up the chatter. Bill Nicholson intently watches the base runner. Above, Ricky Wright, Paris' ace pitcher takes first base as Billy Turnbull readies for the throw.

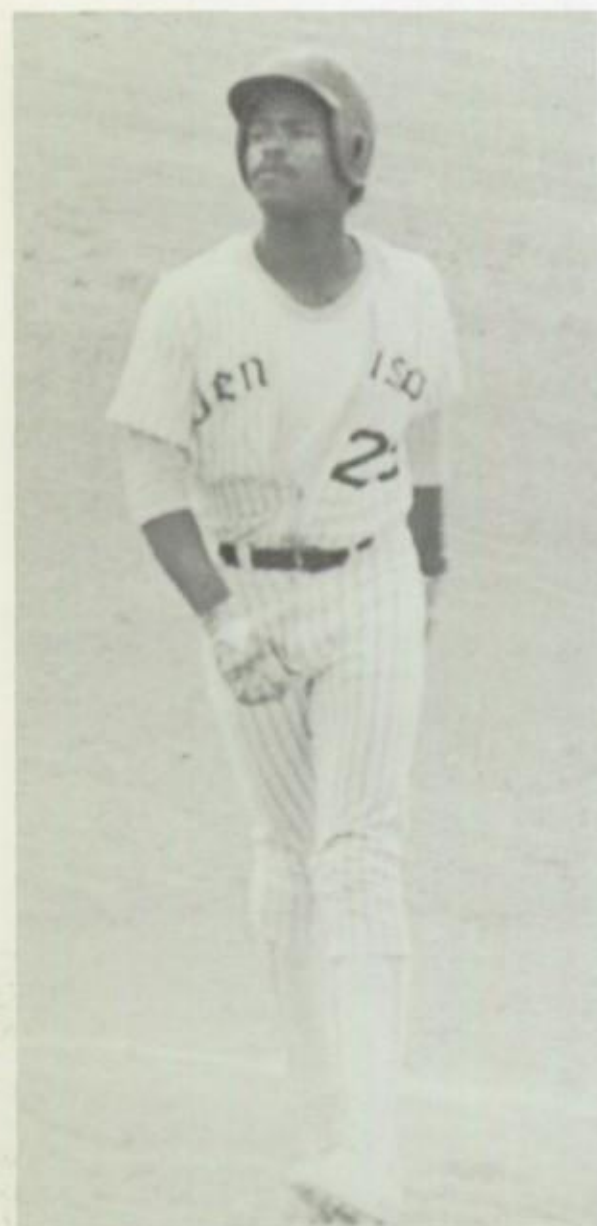

## Jackets Trounce Lake Highlands

Denison pitcher Terry Clay closed down Lake Highlands' big bats and Denison scored five runs in the bottom of the fourth inning to hand the Wildcats a 9-3 beating. The win ran the Jacket winning streak to five in a row, and six of their last seven.

Dwayne Ward and Mike Castleberry banded out two hits apiece and added two RBI's each. Sophomore Greg Neasbitt ripped his second homerun in two games over the left field fence as Clay fanned six Wildcats with no walks.

Left, Terry Clay shoots the ball across the plate during the first game with Paris.

Nathan Beck, base runner, is disappointed after being tagged out at second.

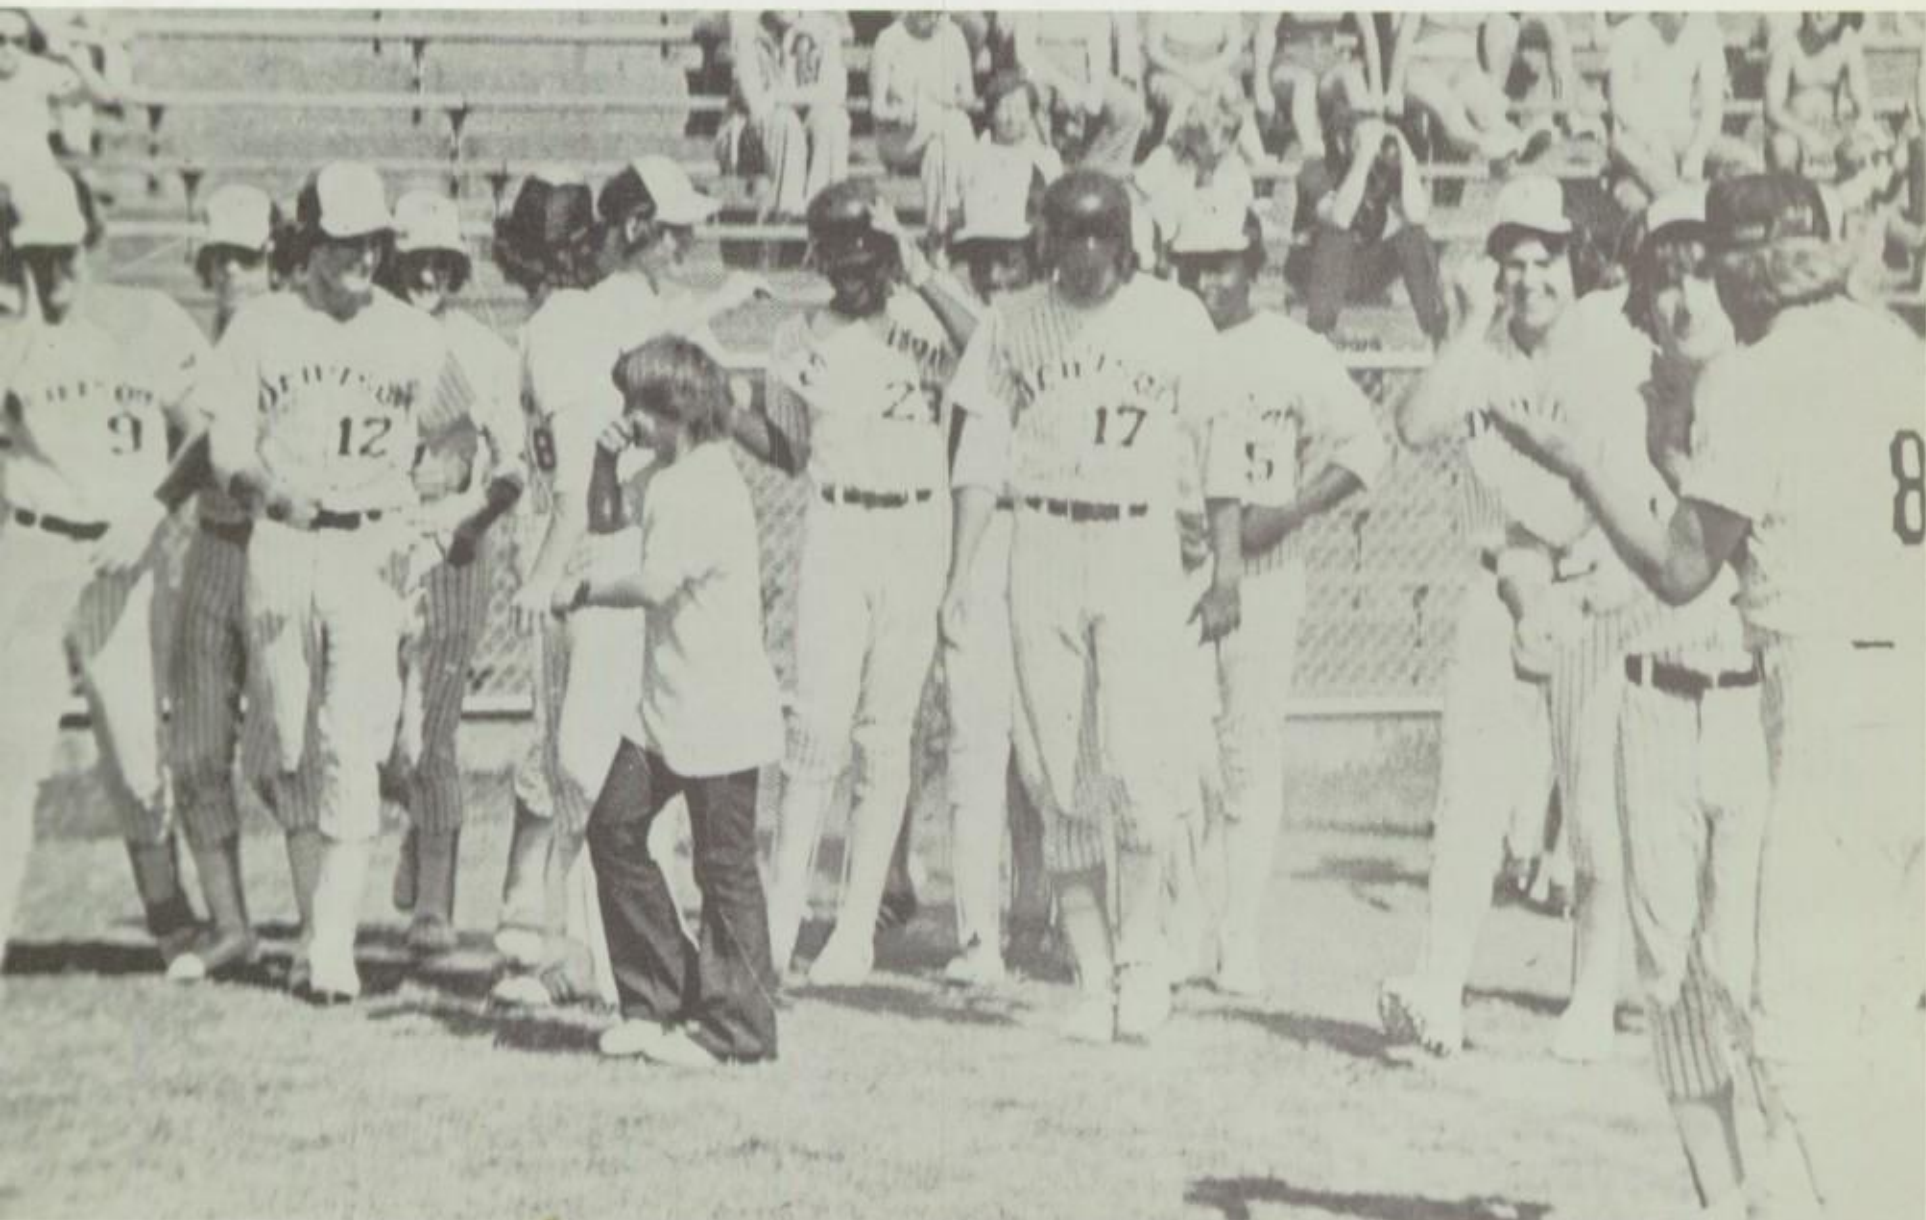

Beck stands up to bat as an anxious crowd awaits a score in the playoff with Paris.

## Pearce Dumps Jackets

Back in the first district game, the Denison Yellow Jackets committed seven errors to give J. J. Pearce a 3-1 victory. In April, it was the Mustangs who made the errors, four in all, and Terry Clay was not denied a shutout 4-0 game.

The scores in the third inning were all Denison needed to take the win. Mike Neasbitt doubled on an outfield hit which passed the left fielder. A wild pitch got Neasbitt to third and Greg Crawford walked the next pitch. Bill Nicholson then batted past the left fielder to triple and bring in the two basemen. Nicholson then scored on Mark Roewe's single.

Top, Greg Neasbitt offers encouragement to injured teammate, Nathan Beck after Beck was hit with a pitched ball. Above, Beck receives congratulations from players and coaches after his grand slam homerun.

The Jackets' game with Sherman provided a little of everything: three homeruns, eight errors, 17 base hits, 14 runs, and a triple play as the Jackets downed the Bearcats 8-6 for their seventh win in a row.

Denison built a 6-3 lead after four innings. In the top of the fourth inning, Nathan Beck slammed a solo homerun for the first of the winning runs.

Sherman attempted a comeback but it was too little too late as Dwayne Ward relieved Terry Clay and took the pitcher's win. The final run was added in the seventh inning.

Right, Terry Clay's hitting and pitching aided the Jacket cause as he swings away.

Above, a walk brings Terry Clay home and puts Mike Neasbitt on base. Jackets had "a good eye" at the plate taking advantage of thrown balls.

# Paris Ousts Jackets

The Jackets came close to sole possession of the district lead but were ousted in a rough game with Paris ending 2-1.

The game lasted two and a half innings without a score. Mark Roewe reached third on a shortstop's error and went in on Ward's centerfield bounce for a 1-0 lead. However, the Cats came back with two scores in the final innings.

Paris finished with six hits on Denison with the Jackets taking four from top rated pitcher for Paris, Ricky Wright.

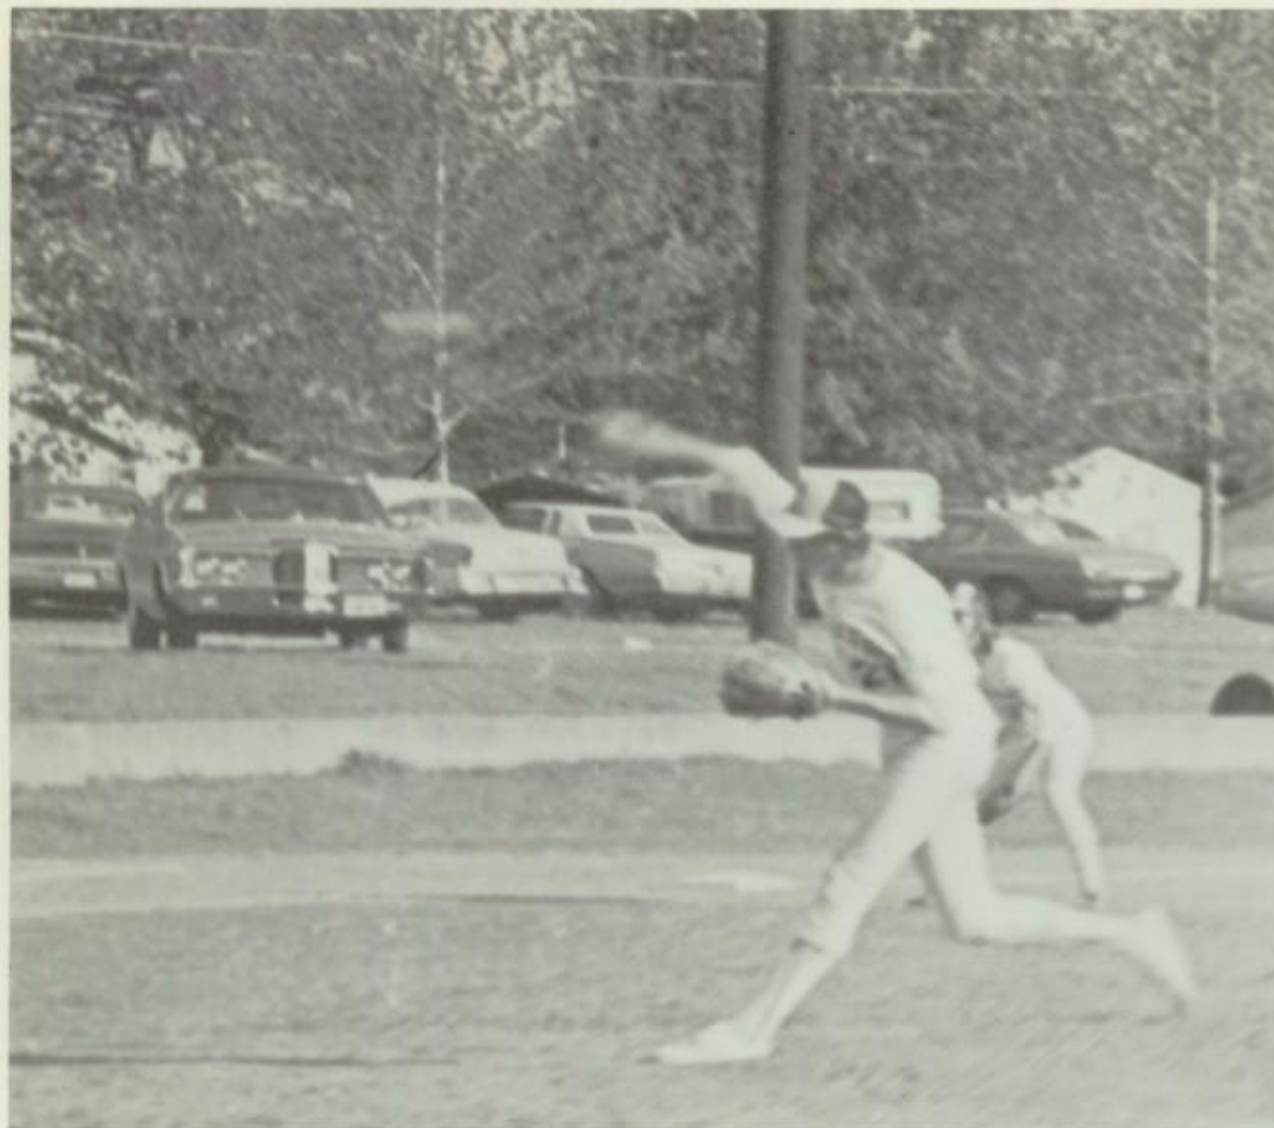

Left, an unidentified Jacket is safe on first as a Berkner first baseman signals for the ball.

Above, Coach Dwight Laboave signals a victory over Plano after the Jackets downed the Cats. Right, Dwayne Ward hurled the ball for the Jackets along with Terry Clay and Kenny Rosser to bring victories.

# Denison Slides Over Berkner

The Jackets had some difficulty downing the Berkner Rams and scored in the 12th inning to down the district's cellar team 1-0. Terry Clay, on the mound, fired ten innings of shutout baseball and was replaced by Dwayne Ward who picked up the last two innings. The game's single run in the top of the twelfth came when Nathan Beck looped a single. The Jackets had failed to take advantage of scoring chances earlier in the game.

Left, Terry Clay fires across another strike. Opposite Page, Right, Mike Neasbitt tags up on first after a pick-off attempt. Below left, Dwayne Ward, pitcher, gets signals for the next pitch.

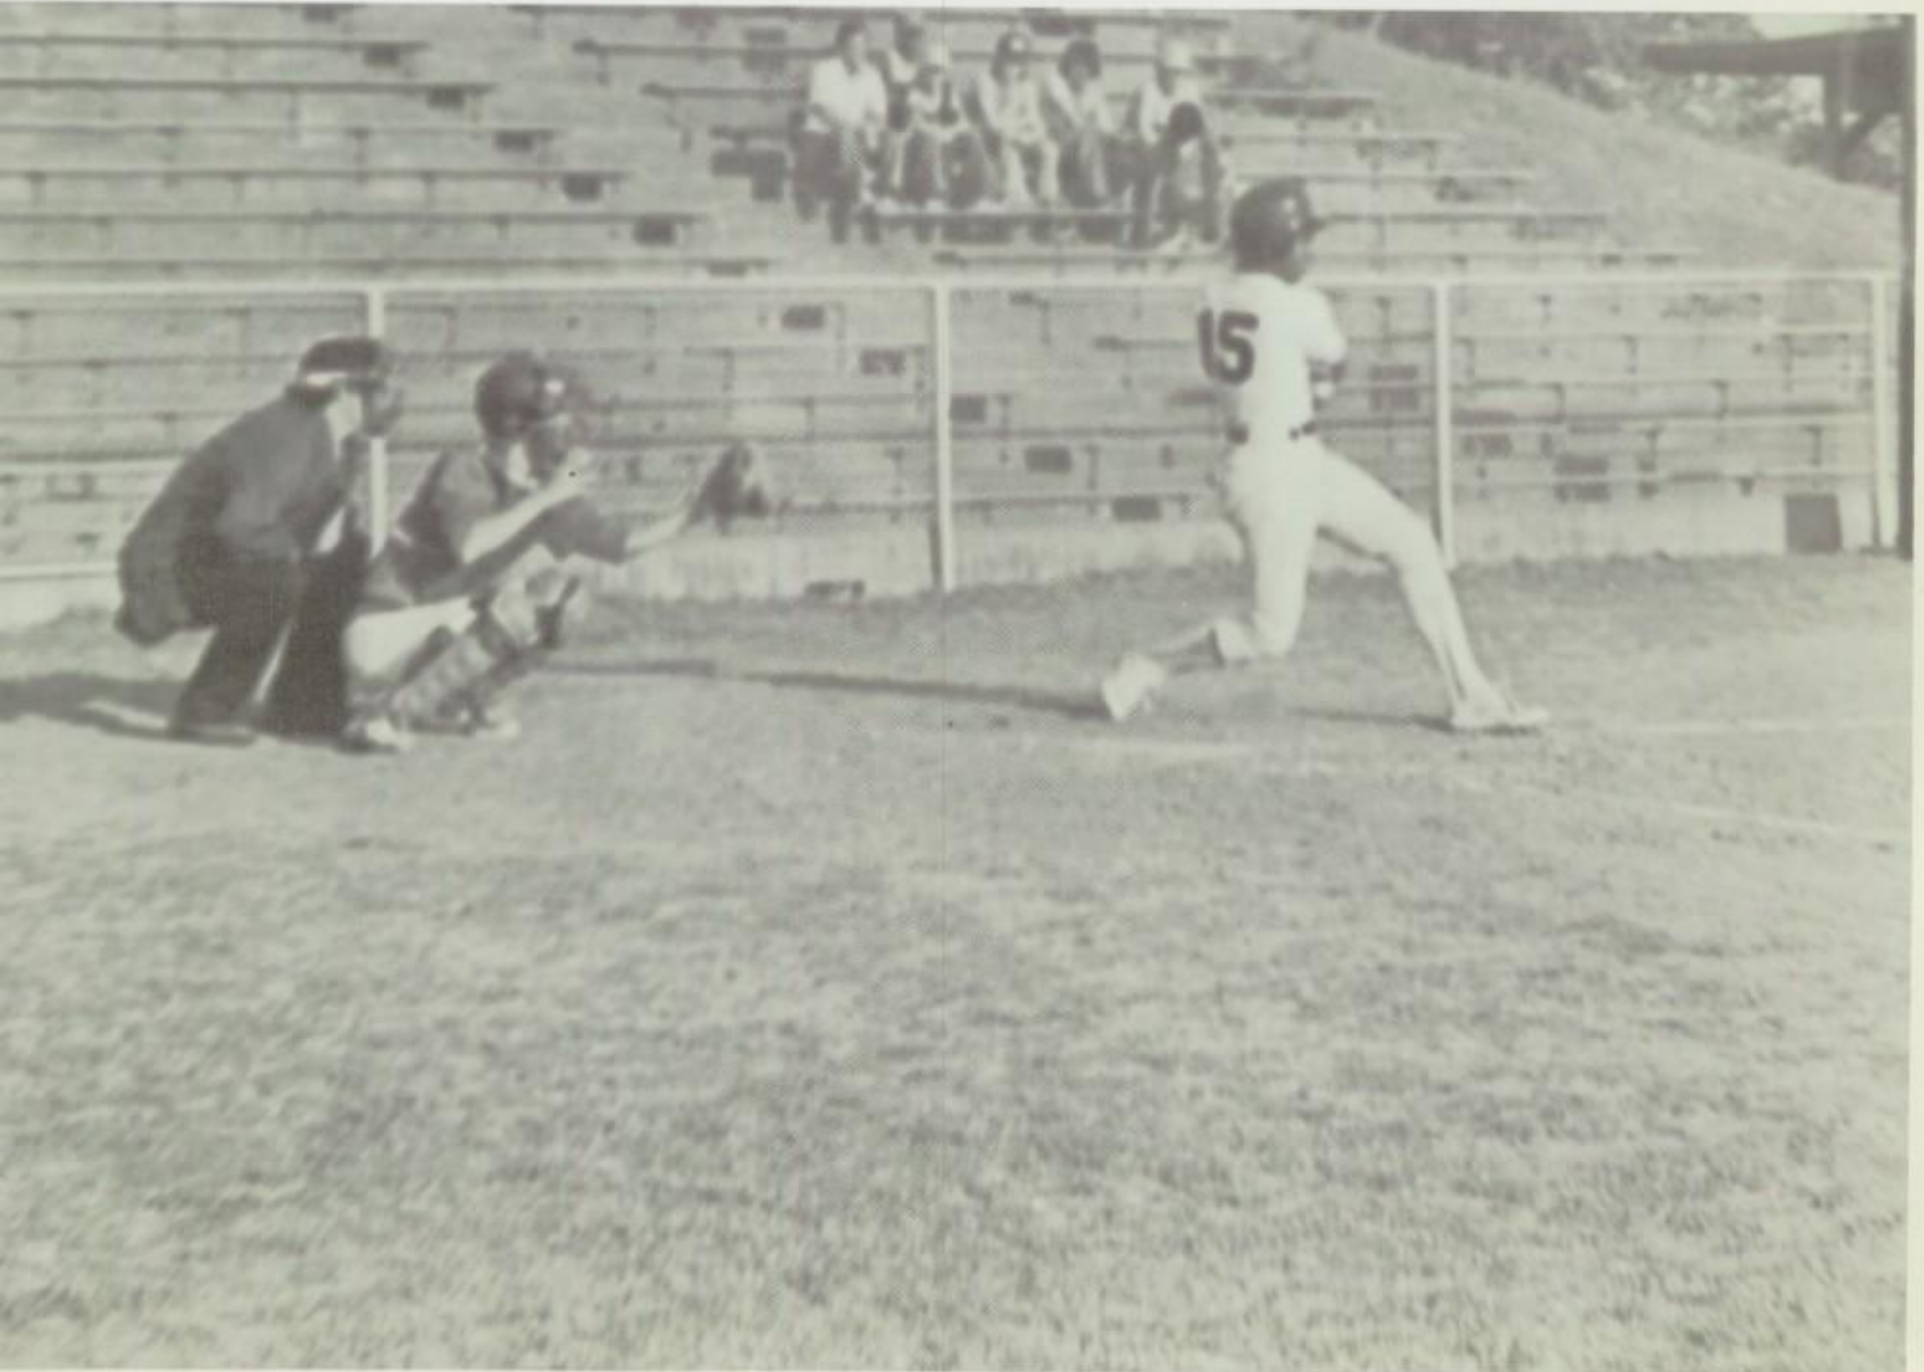

It has been said that scouts see the best games, and scouts from several major league professional clubs were on hand to watch Ricky Wright, Paris' all-district pitcher. Ray Crone, scout, clocked Wright's pitch at 85 m.p.h., and Dwayne Ward's at 82 m.p.h.

## *Jackets Cinch Richardson*

Denison kept its winning record with an easy 9-3 win over the Richardson Eagles, April 26. The Jackets bested the Eagles in the first inning 3-2, and maintained control. Terry Clay's three-run homer followed hits by Bill Nicholson and Mark Roewe. Below, Gary Clark, 15, put a line drive through the hole in Denison's 9-3 victory over Richardson.

Denison pummeled the Greenville Lions with a 7-1 victory April 28, and kept the Jackets atop the 13AAAA league standings. Dwayne Ward went the distance on the mound and picked up his third district victory for the week. The Denison win took the Jacket record to 11-3 in district play and tied the team with Paris for first place in district. It became evident that Denison and Paris would play off for the right to represent the district in regional competition.

A time for celebration followed the Greenville win as the Jackets leave the field victorious.

The team competed in Waxahachie to take a team fourth place and at Ada, Oklahoma, where Greg Crawford broke the school record for 330 yard hurdles, his own record from a month before of 39.4 seconds, with a time of 39.2. Don Taylor downed the previous school record of 4:33.0 for the mile run setting a new record of 4:29.7.

# Girls Take Top Track Honors

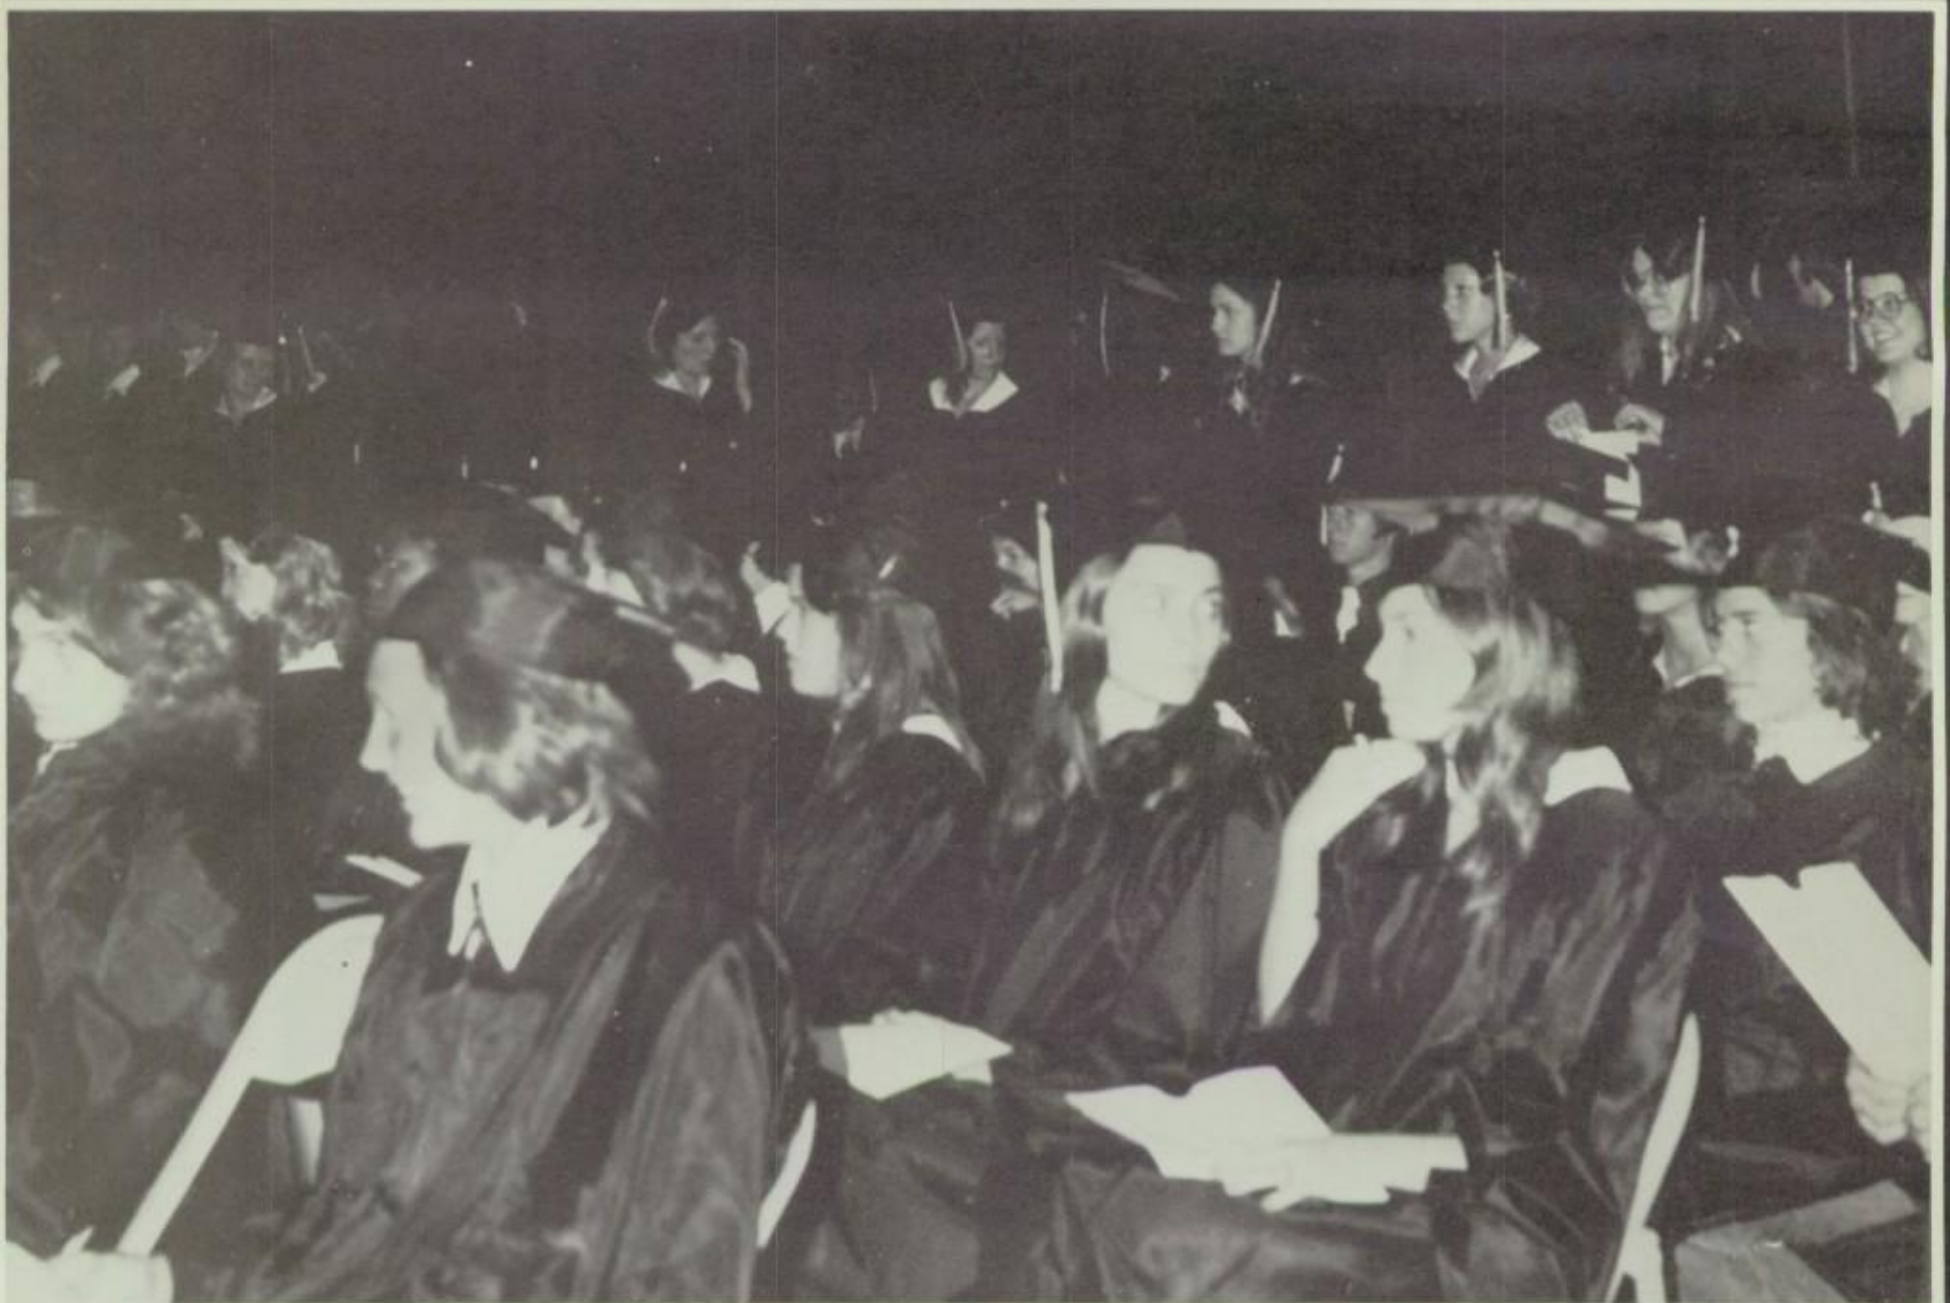

The girls' track squad took top honors in April with its field event athletes taking places at pre-district meets. Natalie Polk broke the previous meet shot put record of 33 feet 1¾ inches with a throw of 41 feet. Cheryl Mercer took second in mile run at the meet while Jackie Jenkins took second in long jump. Natalie Polk took district in shot put and qualified to compete at regional with a throw of 42 feet 5 inches. Polk was a favorite for regional competition. Polk put the shot of 43 feet 1 inch to take the Regional number 1 spot and moved on to state competition.

# May Brings Close of Year

May was a month of varied activities, when schoolmates realized how close their association as scholars was to ending. Classmates seemed closer in the month of May and activities to promote final good times grew more frequent.

As graduation neared the bustle of make-up work and commencement announcements was interrupted by Senior Day, the final school activities of the year for seniors. The day of swimming, games, eating, and airplane rides was overshadowed by the final step of school the following day.

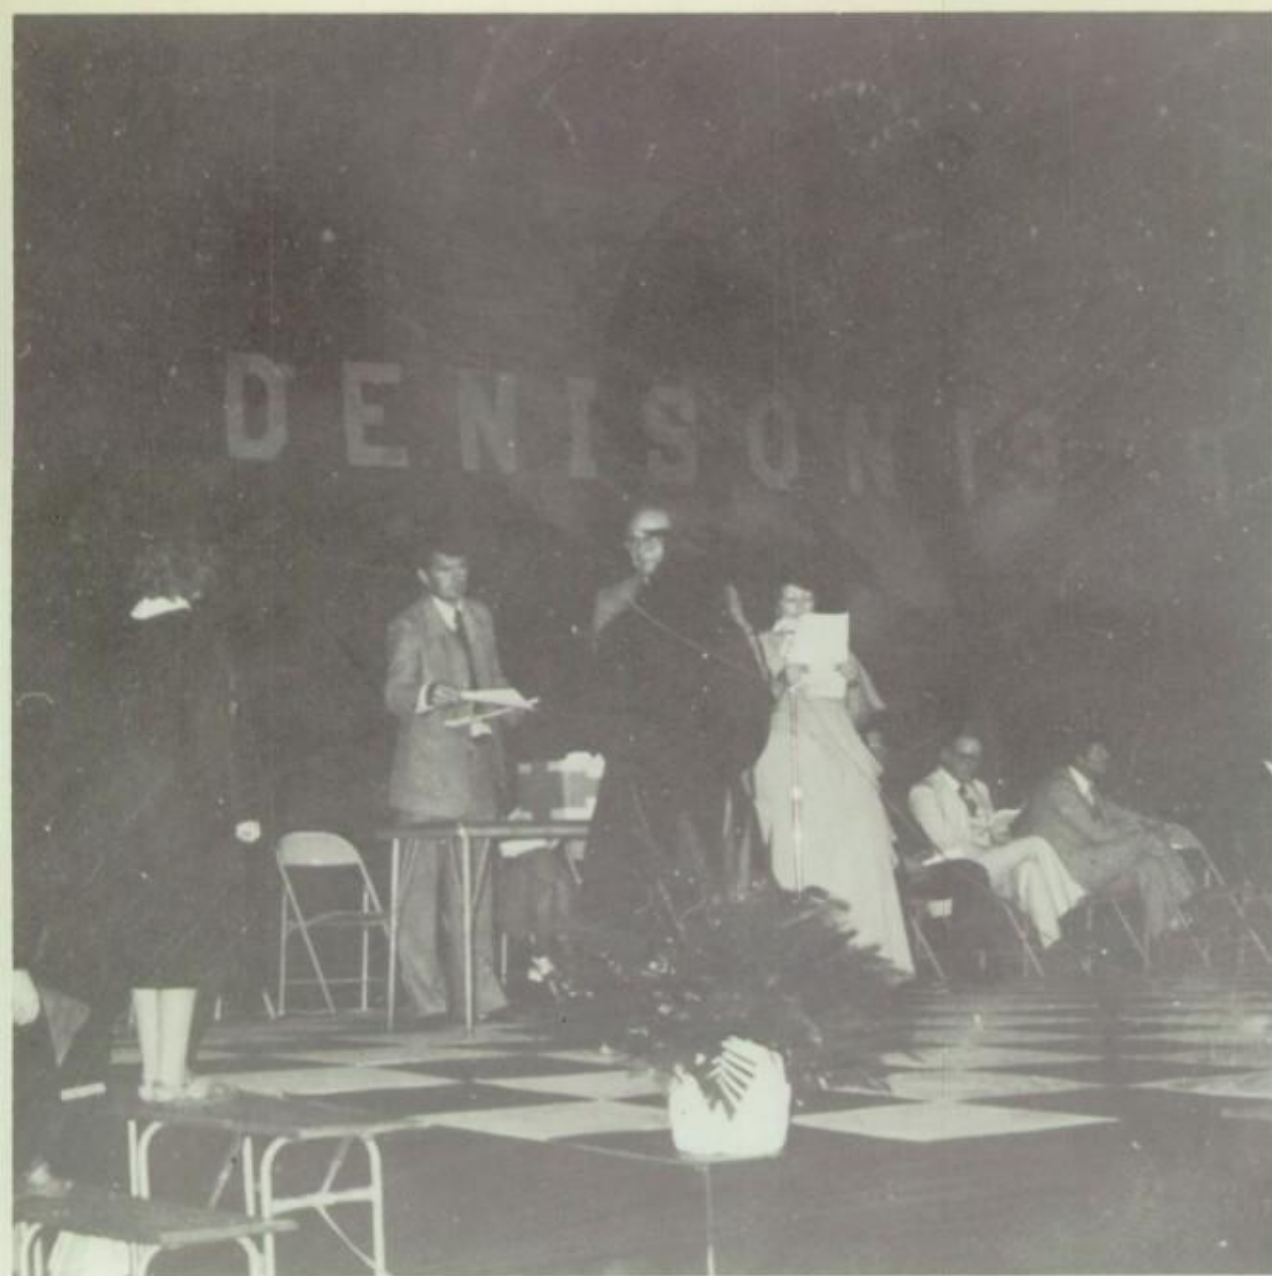

Graduation exercises found a class of 341 leaving the term at public school to pursue their many interests and fields granted them.

In May, locker cleanups may have inspired a "Stinger" feature story on the things people do with locker space. Decorations and messes were among the list of what pupils make of or in their lockers.

The Biology students annual field trip to Beaver's Bend was in May this year. The outing was an enjoyable experience despite wet clothes, poison ivy, insect bites, dirt, and sore feet.

# SAVING TIPS

## on electric air conditioning

Air conditioning provides lots of comfort during the summer months, but for many thousands of homeowners it is also the biggest factor in the cost of electricity. On the average, air conditioning accounts for about half of summertime electric bills.

Here are ways you can hold down the cost of air conditioning and still enjoy its comfort.

### Central Systems

1. Set thermostat on 78°, or higher, during the summer. Turn unit off if you'll be away from home several days.
2. Keep equipment at top operating efficiency. Have it checked seasonally by qualified serviceman.
3. Check filter every 30 days. Dirty filters cause equipment to use excessive electricity. If filter is permanent, clean by manufacturer's directions; if it's disposable, it should be replaced when dirty.
4. Keep furniture, draperies away from air outlets and returns. Clean grills often.
5. Close draperies and blinds to keep out direct sunlight.
6. Keep fireplace damper closed.
7. Proper home insulation keeps the heat out, cuts energy use. Insulation questions? Call TP&L.
8. Shade on roof and walls can reduce energy needed to cool. But trim trees, shrubs away from outside compressor unit. Keep it free of leaves, debris. If air flow is blocked, unit uses more energy.

TEXAS POWER & LIGHT COMPANY  
A tax-paying, investor-owned electric utility

9. Weatherstrip doors and windows; caulk cracks to prevent drafts and cool air loss.
10. Keep windows closed. Open outside doors as little as possible.

### Window Units

Follow above suggestions, plus these:

11. Buy units with *highest* "energy efficiency ratio" (EER). Uses less electricity to cool. If EER is not on sales tag, ask for it or figure it yourself. Divide "wattage" into "BTU" capacity. Both figures are on unit.
12. Place unit where it'll get as little direct sun as possible.
13. Aim air outlets at lower half of doorway to next room to allow warm air from that room to enter at the doortop for recooling, recirculation.
14. Never vent air conditioner into garage. Ventilation is usually too poor for top performance of your unit.

Conserve electricity and you help conserve one or more of the fuels needed to produce it. Conserve fuels and you help assure that there will be enough to meet essential needs for electricity in the future.

When you pass a TP&L office, warehouse, generating plant or other facility, you'll see that we've turned off all non-essential lighting. And, in as many other ways as possible, TP&L is reducing its own uses of electricity.

*If you would like additional information on conserving electricity, call the Customer Service Representative in the TP&L Office.*

# *As the Year Ends, We've Only Just Begun*

The Yellow Jacket Staff extends a special thanks to the following people without whose help and support this largest Yellow Jacket annual ever would not have been possible: Junior staffers Jonell Lang, Susan Hennigh, Mike Smith, Jalene Hawk, Scott Bates and friends Laurie Whittington, Angie Reese, Ginna Greig, Hank Largin, Eric Rice, Debbie Henry, Thomas Holley, Kevin Farley. The Stinger Staff and the Senior Staff members who helped take up the slack when the lines sagged.
